4. Unless a written agreement signed by the adjacent owner of record is filed with the village clerk, a fence or wall must be erected, placed, or maintained at least six inches (6") inside the lot line.

5. No fence equipped with or having barbed wire, spikes, or any similar device, or any electrically charged fence sufficient to cause shock, shall be erected, placed, or maintained within six feet (6') of ground level. However, no such fence shall be allowed in residentially zoned districts.
