Press Release

Maple Park, IL, August 14, 2018: The Village of Maple Park is always working toward ways to better the livelihood of both its residents and business owners. As a part of that commitment, the Village President and Board of Trustees are developing a new Strategic Plan in 2018 to establish and further the community's goals. The Village has retained the Center for Governmental Studies (CGS) to assist in the process.

An effective Strategic Plan includes feedback from all Village stakeholders ensuring that we understand their needs and expectations. To accomplish this, CGS staff will be conducting an open community forum/focus group on September 5, 2018 at Village Hall.

All business owners and residents are encouraged to attend. We want to hear your voice; your participation is extremely important and very much appreciated. The focus group will run approximately 60-90 minutes and will be held on Wednesday, September 5, 2018 in the Board room at Village Hall, 302 Willow Street, Maple Park. This meeting will begin at 6:30 p.m.

Please RSVP to the Village Clerk, Liz Peerboom, at (815) 827-3309 or eperboom@villageofmaplepark.com. The RSVP process will help us with an accurate count for space purposes; however, you can still attend if you were not able to RSVP.

On behalf of the Village of Maple Park, thank you for your assistance with this important project.
