March has come and gone; spring is here. As we all look forward to the return of warm weather, it is great to see neighbors and friends out and about enjoying the great outdoors. I look forward to seeing all the flowers and colors of spring. April is also a time to vote in the Consolidated Election. There will be important races and issues on the April 4th ballot. The Village will elect new trustees for the Village Board; and the school district referendum is requesting funding for improvements and buildings. I encourage everyone to register and vote. Remember, you can register and vote up to and including election day with same day voter registration. Lastly, now that the weather is changing, please remember to slow down and watch for children and pedestrians in general as you drive through our neighborhoods. Suzanne Fahnestock, President
