

MAPLE PARK POLICE DEPARTMENT

COOLING CENTERS

July, 2020

With the continued forecast for oppressively **HOT** weather, the Maple Park Police Department along with the Maple Park and Countryside Fire Protection District have established “Cooling Centers” for residents that might be experiencing symptoms of heat exhaustion, loss of air conditioning or other heat related issues.

The Maple Park Community Center / Police Department located at 302 / 306 Willow Street or the Maple Park and Countryside Fire Protection District station located at 305 South County Line Road can be used during normal business hours.

If you are experiencing heat related problems after normal business hours please contact Kane Comm dispatch center at (630) 232-8400 and one of the centers can be opened for your use.
