Section 4. Bond Details. For the purpose of providing for the costs of the Project, there shall be issued and sold the Bonds in the principal amount of not to exceed \$2,250,000. The Bonds shall each be designated “*General Obligation Bond (Alternate Revenue Source), Series 2022*”. The Bonds shall be dated date of closing (the “*Dated Date*”); and shall also bear the date of authentication thereof. The Bonds shall be in fully registered form, shall be in minimum denominations of \$100,000 and integral multiples of \$5,000 thereof (but no single Bond shall represent principal maturing on more than one date), shall be numbered consecutively in such

fashion as shall be determined by the Bond Registrar. Subject to the Bond Order, the Bonds are hereby authorized to bear interest at a rate not to exceed 5.00% and mature in the principal amount on January 1 of each of the years (subject to redemption, as the case may be), not to exceed \$225,000 for any year commencing not before 2023 and ending not later than 2037, as shall be specified in the Bond Order.

Each Bond shall bear interest from the later of its Dated Date as herein provided or from the most recent interest payment date to which interest has been paid or duly provided for, until the principal amount of such Bond is paid or duly provided for, such interest (computed upon the basis of a 360-day year of twelve 30 day months) being payable semi-annually commencing with the first interest payment date as set forth in the Bond Order, and on January 1 and July 1 of each year thereafter to maturity.

Interest on each Bond shall be paid by check or draft of the Paying Agent, payable in lawful money of the United States, to the person in whose name such Bond is registered at the close of business on the applicable Record Date, and mailed to the registered owner of the Bond as shown in the Bond Registrar or at such other address furnished in writing by such Registered Owner. The principal of the Bonds shall be payable in lawful money of the United States upon presentation thereof at the office maintained for the purpose by the Paying Agent or at successor Paying Agent and locality.

Section 5. Execution; Authentication. The Bonds shall be executed on behalf of the Village by the manual or facsimile signature of its Village President and attested by the manual or facsimile signature of its Village Clerk, as they may determine, and shall have impressed or imprinted thereon the corporate seal or facsimile thereof of the Village. In case any such officer whose signature shall appear on any Bond shall cease to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery. All Bonds shall have thereon a certificate of

authentication, substantially in the form hereinafter set forth, duly executed by the Bond Registrar as authenticating agent of the Village and showing the date of authentication. No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Ordinance unless and until such certificate of authentication shall have been duly executed by the Bond Registrar by manual signature, and such certificate of authentication upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Ordinance.

Section 6. Redemption. (a) Optional Redemption. If so provided in a Bond Order, the Bonds may be subject to redemption prior to maturity at the option of the Village as a whole, or in part in integral multiples of \$5,000 in any order of their maturity as determined by the Village (less than all of the Bonds of a single maturity to be selected by the Bond Registrar), on the date of redemption provided in said Bond Order, and on any date thereafter, at the redemption price of par plus accrued interest to the redemption date.

(b) Mandatory Redemption. The Bonds maturing on the date or dates, if any, indicated in the Bond Order, are subject to mandatory redemption, in integral multiples of \$5,000 selected by lot by the Bond Registrar, at a redemption price of par plus accrued interest to the redemption date on January 1 of the years, if any, and in the principal amounts, if any, as indicated in the Bond Order.

The principal amounts of Bonds to be mandatorily redeemed in each year may be reduced through the earlier optional redemption thereof, with any partial optional redemptions of such Bonds credited against future mandatory redemption requirements in such order of the mandatory redemption dates as the Village may determine. In addition, on or prior to the 60th day preceding any mandatory redemption date, the Bond Registrar may, and if directed by the Board shall, purchase Bonds required to be retired on such mandatory redemption date. Any such Bonds so purchased shall be cancelled and the principal amount thereof shall be credited against the mandatory redemption required on such next mandatory redemption date.

Section 7. Redemption Procedure. For a mandatory redemption, the Bond Registrar shall proceed to redeem Bonds without any further order or direction from the Village whatsoever. For optional redemption, the Village shall, at least thirty (30) days prior to the redemption date (unless a shorter time period shall be satisfactory to the Bond Registrar), notify the Bond Registrar of such redemption date and of the maturities and principal amounts of Bonds to be redeemed. For purposes of any redemption of less than all of the Bonds of a single maturity, the particular Bonds or portions of Bonds to be redeemed shall be selected by lot not more than sixty (60) days prior to the redemption date by the Bond Registrar for the Bonds of such maturity by such method of lottery as the Bond Registrar shall deem fair and appropriate; *provided*, that such lottery shall provide for the selection for redemption of Bonds or portions thereof so that any \$5,000 Bond or \$5,000 portion of a Bond shall be as likely to be called for redemption as any other such \$5,000 Bond or \$5,000 portion.

The Bond Registrar shall promptly notify the Village and the Paying Agent in writing of the Bonds or portions of Bonds selected for redemption and, in the case of any Bond selected for partial redemption, the principal amount thereof to be redeemed.

Unless waived by the registered owner of Bonds to be redeemed, official notice of any such redemption shall be given by the Bond Registrar on behalf of the Village by mailing the redemption notice by first class mail not less than thirty (30) days and not more than sixty (60) days prior to the date fixed for redemption to each registered owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such registered owner to the Bond Registrar.

All official notices of redemption shall include at least the information as follows:

- (a) the redemption date;
- (b) the redemption price;
- (c) if less than all of the outstanding Bonds of a particular maturity are to be redeemed, the identification (and, in the case of partial redemption of Bonds within such maturity, the respective principal amounts) of the Bonds to be redeemed;
- (d) a statement that on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption and that interest thereon shall cease to accrue from and after said date; and
- (e) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the office maintained for the purpose by the Paying Agent.

Prior to any redemption date, the Village shall deposit with the Paying Agent an amount of money sufficient to pay the redemption price of all the Bonds or portions of Bonds which are to be redeemed on that date.

Official notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the Village shall default in the payment of the redemption price), such Bonds or portions of Bonds shall cease to bear interest. Neither the failure to mail such redemption notice, nor any defect in any notice so mailed, to any particular registered owner of a Bond, shall affect the sufficiency of such notice with respect to other registered owners. Notice having been properly given, failure of a registered owner of a Bond to receive such notice shall not be deemed to invalidate, limit, or delay the effect of the notice or redemption action described in the notice. Such notice may be waived in writing by a registered owner of a Bond entitled to receive such notice, either before or after the event, and such waiver

shall be the equivalent of such notice. Waivers of notice by registered owners shall be filed with the Bond Registrar, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Paying Agent at the redemption price. The procedure for the payment of interest due as part of the redemption price shall be as herein provided for payment of interest otherwise due. Upon surrender for any partial redemption of any Bond, there shall be prepared for the registered owner a new Bond or Bonds of like tenor, of authorized denominations, of the same maturity, and bearing the same rate of interest in the amount of the unpaid principal.

If any Bond or portion of a Bond called for redemption shall not be so paid upon surrender thereof for redemption, the principal shall, until paid or duly provided for, bear interest from the redemption date at the rate borne by the Bond or portion of Bond so called for redemption. All Bonds which have been redeemed shall be canceled and destroyed by the Bond Registrar and shall not be reissued.

The Village agrees to provide such additional notice of redemption as it may deem advisable at such time as it determines to redeem Bonds, taking into account any requirements or guidance of the Securities and Exchange Commission, the Municipal Securities Rulemaking Board, the Government Accounting Standards Board, or any other federal or state agency having jurisdiction or authority in such matters; *provided, however*, that such additional notice shall be (1) advisory in nature, (2) solely in the discretion of the Village, and (3) not be a condition precedent of a valid redemption or a part of the Bond contract, and any failure or defect in such notice shall not delay or invalidate the redemption of Bonds for which proper official notice shall have been given.

As part of their respective duties hereunder, the Bond Registrar and Paying Agent shall prepare and forward to the Village a statement as to notice given with respect to each redemption together with copies of the notices as mailed and published.

Section 8. Registration and Exchange or Transfer of Bonds; Persons Treated as Owners. The Village shall cause the Bond Register to be kept at the office maintained for the purpose by the Bond Registrar, which is hereby constituted and appointed the registrar of the Village for the Bonds. The Village is authorized to prepare, and the Bond Registrar or such other agent as the Village may designate shall keep custody of, multiple Bond blanks executed by the Village for use in the transfer and exchange of Bonds.

Any Bond may be transferred or exchanged, but only in the manner, subject to the limitations, and upon payment of the charges as set forth in this Ordinance. Upon surrender for transfer or exchange of any Bond at the office maintained for the purpose by the Bond Registrar, duly endorsed by or accompanied by a written instrument or instruments of transfer or exchange in form satisfactory to the Bond Registrar and duly executed by the registered owner or an attorney for such owner duly authorized in writing, the Village shall execute and the Bond Registrar shall authenticate, date and deliver in the name of the transferee or transferees or, in the case of an exchange, the registered owner, a new fully registered Bond or Bonds of like tenor, of the same maturity, bearing the same interest rate, of authorized denominations, for a like aggregate principal amount.

The Bond Registrar shall not be required to transfer or exchange any Bond during the period from the close of business on the Record Date for an interest payment to the opening of business on such interest payment date, nor to transfer or exchange any Bond after notice calling such Bond for redemption has been mailed, nor during a period of fifteen (15) days next preceding mailing of a notice of redemption of any Bonds.

The execution by the Village of any fully registered Bond shall constitute full and due authorization of such Bond, and the Bond Registrar shall thereby be authorized to authenticate, date and deliver such Bond; *provided, however,* that the principal amount of Bonds of each maturity authenticated by the Bond Registrar shall not at any one time exceed the authorized principal amount of Bonds for such maturity less the amount of such Bonds which have been paid.

The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of or interest on any Bond shall be made only to or upon the order of the registered owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

No service charge shall be made for any transfer or exchange of Bonds, but the Village or the Bond Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds except in the case of the exchange of a Bond for the unredeemed portion of a Bond or Bonds surrendered for redemption.

Section 10. Alternate Bonds; General Obligations; Tax Levy. The Bonds are and constitute Alternate Bonds under the Debt Reform Act, anticipated to be payable from Pledged Revenues. Under and pursuant to Section 15 of the Debt Reform Act, the full faith and credit of the Village are hereby irrevocably pledged to the punctual payment of the principal of, premium, if any, and interest on the Bonds (the “Debt Service”); the Bonds shall be direct and general obligations of the Village; and, should the Pledged Revenues be insufficient to pay the Debt Service due, the Village shall be obligated to levy ad valorem taxes upon all the taxable property within the Village’s corporate limits, for the payment of the Bonds and the interest thereon, without limitation as to rate or amount (such ad valorem taxes being the “Pledged Taxes” previously defined).

Pledged Revenues are hereby determined by the Corporate Authorities to be sufficient to provide for or pay in each year to final maturity of the Bonds all of the following: (1) the debt service on all Outstanding revenue bonds payable from Pledged Revenues, (2) all amounts required to meet any fund or account requirements with respect to such Outstanding revenue bonds, (3) other contractual or tort liability obligations, if any, payable from such Pledged Revenues, and (4) in each year, an amount not less than 1.25 times debt service of all (i) Alternate Bonds payable from such Pledged Revenues previously issued and outstanding, and (ii) Alternate Bonds payable from such Pledged Revenues proposed to be issued, including the Bonds. Such conditions enumerated need not be met for that amount of debt service (as defined in Section 3 of the Debt Reform Act) provided for by the setting aside of proceeds of bonds or other moneys at the time of the delivery of such bonds. The Pledged Revenues are hereby determined by the Corporate Authorities to provide in each year

all amounts required to meet any fund or account requirements with respect to this Ordinance, any contractual or tort liability obligations, if any, payable from Pledged Revenues, and an amount not less than 1.25 times debt service (as defined in Section 3 of the Debt Reform Act) of all of the Outstanding Bonds, payable from such Pledged Revenues. The determination of the sufficiency of the Pledged Revenues is expected to be supported by reference to the most recent audit of the Village, which audit is for a Fiscal Year ending not earlier than eighteen (18) months prior to the time of issuance of the Bonds, and not otherwise a “report” under Section 15 of the Debt Reform Act shall be prepared.

For the purpose of providing the money required to pay the interest on the Bonds when and as the same falls due and to pay and discharge the principal thereof as the same shall mature, there shall be levied upon all the taxable property within the Village’s corporate limits in each year while any of the Bonds shall be Outstanding, and there is hereby levied, in addition to all other taxes levied by the Village, the Pledged Taxes in the amounts for each year not to exceed \$250,000, commencing for each levy year, commencing not before 2022 and ending not later than 2035, as shall be specified in an applicable Bond Order.

The Pledged Revenues and other moneys on deposit in the Bond Fund shall be applied first to pay the Debt Service on the Bonds.

Interest or principal (i.e., Debt Service) coming due at any time when there are insufficient funds on hand from the Pledged Revenues to pay the same shall be paid promptly when due from current funds on hand in advance of the collection of the Pledged Revenues or Pledged Taxes herein levied; and when the Pledged Revenues shall have been collected, reimbursement shall be made to said funds in the amount so advanced.

Section 11. Tax Abatement. The Village covenants and agrees with the Purchaser and registered owners of the Bonds that so long as any of the Bonds remain outstanding, the Village will take no action or fail to take any action which in any way would adversely affect the ability

of the Village to levy and collect the foregoing tax levy, unless and to the extent there then shall be moneys irrevocably on deposit therefor in the applicable debt service account or accounts established under Section 15 below and in accordance with this Section. The Village and its officers will comply with all present and future applicable laws in order to assure that the Pledged Taxes may be levied, extended and collected as provided herein and deposited into the Bond Fund.

In the event that funds from any lawful source may be made available for the purpose of paying any principal of or interest on the Bonds so as to enable the abatement of the Pledged Taxes, the Corporate Authorities shall, by proper proceedings, direct the deposit of such other funds into the Bond Fund, and further shall direct the abatement of the Pledged Taxes by the amount so deposited. A certified copy or other notification of any such proceedings abating taxes may then be filed with the County Clerks of the Counties of Kane and DeKalb, Illinois (the "County Clerks"), in a timely manner to affect such abatement.

Section 12. Filing with County Clerks. Promptly, as soon as this Ordinance becomes effective, a copy hereof, certified by the Village Clerk of the Village, shall be filed with the County Clerks; and said County Clerks shall in and for each of the years set forth in the Bond Order, ascertain the rate percent required to produce the aggregate Pledged Taxes hereinbefore provided to be levied in each of said years and subject to abatement as provided in said Section 11; and said County Clerks shall extend the same for collection on the tax books in connection with other taxes levied in said years in and by the Village for general purposes of the Village; and, subject to abatement as stated hereinabove, in said years such annual tax shall be levied and collected by and for and on behalf of the Village in like manner as taxes for general purposes for said years are levied and collected, and in addition to and in excess of all other taxes.

Section 13. Treatment of Bonds as Debt. The Bonds are to be payable from applicable Pledged Revenues and shall not constitute an indebtedness of the Village within the meaning of any constitutional or statutory limitation, unless the Pledged Taxes shall have been extended

pursuant to the general obligation, full faith and credit promise supporting the Bonds, as set forth in Section 10 hereof, in which case the amount of the Alternate Bonds then Outstanding shall be included in the computation of indebtedness of the Village for purposes of all statutory provisions or limitations until such time as an audit of the Village shall show that the Bonds have been paid from the Pledged Revenues for the Alternate Bonds for a complete Fiscal Year, in accordance with the Applicable Law.

Section 14. Sale of Bonds. The Bonds shall be executed as in this Ordinance provided as soon after the passage hereof as may be, shall be deposited with the Bond Registrar, and shall be delivered to the Purchaser thereof, upon receipt of the purchase price therefor, the same being not less than 98% of the principal amount of the Bonds plus accrued interest, if any, to date of delivery, it being hereby found and determined that the sale of the Bonds to the Purchaser is in the best interests of the Village and that no person holding any office of the Village, either by election or appointment, is in any manner financially interested directly in his or her own name or indirectly in the name of any other person, association, trust or corporation, in the sale of the Bonds to the Purchaser..

Upon the sale of the Bonds, the Designated Officers and any other officers of the Village as shall be appropriate, shall be and are hereby authorized and directed to approve or execute, or both, such documents of sale of the Bonds as may be necessary, including, without limitation, closing documents.

The distribution of the Request for Proposals relating to the Bonds is hereby in all respects authorized and approved, and the proposed use by the Purchaser of a Request for Proposals is hereby approved.

Section 15. Creation of Funds and Appropriations; Flow of Funds.

A. There is hereby created the “*General Obligation Bonds (Alternate Revenue Source), Series 2022, Bond Fund*” (the “Bond Fund”), which shall be the fund for the payment of

principal of and interest on the Bonds. Accrued interest and premium, if any, received upon delivery of the Bonds shall be deposited into the Bond Fund and be applied to pay first interest coming due on the Bonds.

B. The Pledged Revenues shall either be deposited into the Bond Fund and used solely and only for paying the principal of and interest on the Bonds or be used to reimburse a fund or account from which advances to the Bond Fund may have been made to pay principal of or interest on the Bonds prior to receipt of Pledged Revenues. Interest income or investment profit earned in the Bond Fund shall be retained in the Bond Fund for payment of the principal of or interest on the Bonds on the interest payment date next after such interest or profit is received or, to the extent lawful and as determined by the Corporate Authorities, transferred to such other fund as may be determined. The Village hereby pledges, as equal and ratable security for the Bonds, all present and future proceeds of the Pledged Revenues on deposit in the Bond Fund for the benefit of the registered owners of the Bonds, subject to the reserved right of the Corporate Authorities to transfer certain interest income or investment profit earned in the Bond Fund to other funds of the Village, as described in the preceding sentence.

C. The sum necessary, as determined by the Designated Officers, of the principal proceeds of the Bonds shall be disbursed by the Purchaser to pay costs of issuance upon the delivery of the Bonds or, to the extent not so disbursed by the Purchaser, shall be deposited into a separate and segregated fund, hereby created, to be known as the “*Expense Fund*” (the “Expense Fund”) and shall be used by the Village Clerk or Village Treasurer, as applicable, to pay costs of issuance of the Bonds in accordance with normal Village disbursement procedures. Any funds remaining to the credit of the Expense Fund on the date which is six (6) months following the date of delivery of the Bonds shall be transferred by the Village Clerk or Village Treasurer, as applicable, to the Bond Fund.

D. From the principal proceeds of the Bonds, the sum necessary, as determined by the Designated Officers, shall be used to pay costs of the Project and to that end shall be deposited into a separate and segregated account of the Village, hereby created, and to be known as the “*Project Fund*” (the “Project Fund”). Monies on deposit in and to the credit of the Project Fund shall be disbursed from time to time as needed by the Village Treasurer, without further official action or direction of the Corporate Authorities, in accordance with normal Village procedures for disbursements of corporate funds for capital projects. Upon the completion of the Project, as certified to the Village Treasurer by the architect or engineer in responsible charge of the Project, remaining funds, if any, on deposit in and to the credit of the Project Fund shall be transferred by the Village Treasurer, without further official action of or direction by the Corporate Authorities, to the Bond Fund. Monies on deposit in and to the credit of the Project Fund may be invested by the Village Treasurer in any investments lawful under Illinois law for Village funds, without further official action of or direction by the Corporate Authorities.

Without further official action of or direction by the Corporate Authorities, if necessary to ensure the timely payment of principal of and interest on the Bonds, monies on deposit in the Project Fund may be transferred by the Village Treasurer at any time to the Bond Fund in anticipation of the collection of Pledged Taxes. Any amount so transferred shall be promptly repaid upon the collection of Pledged Taxes.

Section 16. Parity Bonds; Additional Bonds. The Village reserves the right to issue bonds or other obligations, if any, which share ratably and equally in the Pledged Revenues, as set forth and provided for in any such ordinance authorizing the issuance of any such bonds (the “Parity Bonds”), without limit, provided that the Pledged Revenues as determined or as adjusted as hereinbelow set out shall be sufficient to provide for or pay all of the following: (a) debt service on all Outstanding bonds to which the Pledged Revenues have like-wise been pledged, computed immediately after the issuance of the proposed Parity Bonds; (b) all amounts required to meet any

fund or account requirements with respect to such Outstanding bonds; (c) other contractual or tort liability obligations then due and payable, if any; and (d) an additional amount not less than 0.25 times the maximum annual debt service on such of the Alternate Bonds as shall remain Outstanding bonds after the issuance of the proposed Parity Bonds. Such sufficiency shall be calculated for each year to the final maturity of such Alternate Bonds which shall remain Outstanding after the issuance of the proposed Parity Bonds. The determination of the sufficiency of Pledged Revenues shall be supported by reference to the Village's most recent audit, including of the Bond Fund, which audit shall be for a Fiscal Year ending not earlier than eighteen (18) months prior to the time of issuance of the proposed Parity Bonds.

If such audit shows the Pledged Revenues to be insufficient, then the determination of sufficiency may be made in either of the following two ways:

(i) The determination of sufficiency of the Pledged Revenues may be supported by the report of an independent accountant or feasibility analyst having a national reputation for expertise in such matters, demonstrating the sufficiency of the Pledged Revenues and explaining by what means they will be greater than as shown in the audit.

(ii) The reference to and acceptance of an audit or a report, as the case may be, and the determination of the Corporate Authorities of the sufficiency of the Pledged Revenues shall be conclusive evidence that these conditions have been met and that the Parity Bonds are properly issued; and no right to challenge such determination is granted to the registered owners of the Bonds.

The Village reserves the right to issue Alternate Bonds from time to time (the "Additional Bonds") payable from Pledged Revenues, and any such Additional Bonds shall share ratably and equally in the Pledged Revenues with the Bonds; provided, however, that no Additional Bonds shall be issued except in accordance with the provisions of the Debt Reform Act.

Section 17. Reimbursement. None of the proceeds of the Bonds will be used to pay, directly or indirectly, in whole or in part, for an expenditure that has been paid by the Village prior to the date hereof except architectural or engineering costs incurred prior to commencement of any of the construction of the Project or expenditures for which an intent to reimburse it was properly

declared under Treasury Regulations Section 1.150-2. This Ordinance adopted by the Corporate Authorities on March 1, 2022, is a declaration of official intent under Treasury Regulations Section 1.150-2 as to all costs of the Project paid after the date hereof and prior to issuance of the Bonds.

Section 18. Not Private Activity Bonds. None of the Bonds is a “*private activity bond*” as defined in Section 141(a) of the Code. In support of such conclusion, the Village certifies, represents and covenants as follows:

A. No direct or indirect payments are to be made on any Bond with respect to any private business use by any person other than a state or local governmental unit.

B. None of the proceeds of the Bonds is to be used, directly or indirectly, to make or finance loans to persons other than a state or local governmental unit.

C. No user of the Project, other than the Village or another governmental unit, will use the same on any basis other than the same basis as the general public; and no person other than the Village or another governmental unit will be a user of the Project as a result of (i) ownership or (ii) actual or beneficial use pursuant to a lease, a management or incentive payment contract, or (iii) any other arrangement.

Section 19. Tax Covenants. In order to preserve the exclusion of interest on the Bonds from gross income for federal tax purposes under Section 103 of the Code and as an inducement to underwriters of the Bonds, the Village represents, covenants and agrees that:

A. No more than 10% of the payment of the principal of or interest on the Bonds will be (under the terms of the Bonds, this Ordinance or any underlying arrangement), directly or indirectly, (i) secured by any interest in property used or to be used for a private business use or payments in respect of such property or (ii) derived from payments (whether or not to the Village) in respect of such property or borrowed money used or to be used for a private business use.

B. No more than 5% of the Bond proceeds will be loaned to any entity or person other than a state or local governmental unit. No more than 5% of the Bond proceeds will be transferred, directly or indirectly, or deemed transferred to a nongovernmental person in any manner that would in substance constitute a loan of the Bond proceeds.

C. The Village reasonably expects, as of the date hereof, that the Bonds will not meet either the private business use test described in paragraph (a) above or the private loan test described in paragraph (b) above during the entire term of the Bonds.

D. Neither the Village nor the Corporate Authorities will take any action or fail to take any action with respect to the Bonds that would result in the loss of the exclusion from gross income for federal tax purposes on the Bonds pursuant to Section 103 of the Code, nor will the Village or the Corporate Authorities act in any other manner which would adversely affect such exclusion.

E. It shall not be an event of default under this Ordinance if the interest on any Bond is not excludable from gross income for federal tax purposes or otherwise pursuant to any provision of the Code which is not currently in effect and in existence on the date of issuance of the Bonds.

F. These covenants are based solely on current law in effect and in existence of the date of delivery of the Bonds.

Section 20. Bank Qualified Bonds. Pursuant to Section 265(b)(3) of the Code, the Village as applicable at the time of sale and delivery of Bonds shall designate such Bonds as “qualified tax-exempt obligations” as defined in Section 265(b)(3) of the Code. The Village by any such designation represents that the reasonably anticipated amount of tax-exempt obligations that will be issued by the Village and all subordinate entities (of which there are none) of the Village during the calendar year in which the Bonds are issued will not exceed \$10,000,000 within the meaning of or to be taken into account under Section 265(b)(3) of the Code. The Village by any such designation covenants that in that connection it will not so designate and issue more than

\$10,000,000 aggregate principal amount of tax-exempt obligations in such calendar year. For purposes of this Section, the term “tax-exempt obligations” includes “qualified 501(c)(3) Bonds” (as defined in the Section 145 of the Code) but does not include other “private activity bonds” (as defined in Section 141 of the Code).

Section 21. Registered Form. The Village recognizes that Section 149 of the Code requires the Bonds to be issued and to remain in fully registered form in order to be and remain Tax-exempt. In this connection, the Village agrees that it will not take any action to permit the Bonds to be issued in, or converted into, bearer or coupon form.

Section 22. Covenants of the Village. Subject to the terms and provisions contained in this Section, and not otherwise, the Village covenants and agrees, so long as there are any Outstanding Bonds (as defined herein), as follows:

(a) The Village will take all action necessary either to impose, collect, apply or maintain the right to receive and apply the Pledged Revenues and Pledged Taxes in the manner contemplated by this Ordinance, and such Pledged Revenues shall not be less than as shall be required under Section 15 of the Debt Reform Act to maintain the Bonds as Alternate Bonds.

(b) The Village covenants that it will, while any of the Bonds shall remain outstanding, ensure that the Pledged Revenues will be sufficient to provide for or pay each of the following in any given year: (1) debt service on all Outstanding revenue bonds payable from such revenue sources, (2) all amounts required to meet any fund or account requirements with respect to such Outstanding revenue bonds, (3) other contractual or tort liability obligations, if any, payable from such pledged revenues, and (4) in each year, an amount not less than 1.25 times debt service of all (i) alternate bonds payable from such revenue source previously issued and outstanding and (ii) alternate bonds proposed to be issued (i.e. the Bonds).

(c) The determination of the sufficiency of the Pledged Revenues is expected to be supported by reference to the most recent audit of the Village, which audit is for a Fiscal Year ending not earlier than eighteen (18) months prior to the time of issuance of the Bonds.

(d) The Village will make and keep proper books and accounts (separate and apart from all other records and accounts of the Village), in which complete entries shall be made of all transactions related to the Pledged Revenues, and covenants that within 210 days following the close of each Fiscal Year, it will cause the books and accounts related to the Pledged Revenues to be audited by independent certified public accountants. Such audit will be available for inspection by the registered owners of any of the Bonds. Each such audit, in addition to whatever matters may be thought proper by the accountants to be included therein, shall, without limiting the generality of the foregoing, include the following:

(i) A balance sheet as of the end of such Fiscal Year, including a statement of the amount held in each of the funds under this Ordinance.

(ii) The amount and details of all Outstanding bonds.

(iii) The accountant's comments, if any, regarding the manner in which the Village has carried out the accounting requirements of the Ordinance (including as to the Alternate Bond status of the Bonds) and has complied with Section 15 of the Debt Reform Act, and the accountant's recommendations for any changes.

(e) The Village will keep its books and accounts in accordance with generally accepted accounting principles for local government entities and enterprise funds; provided, however, that the credits to the Bond Fund shall be in cash, and such funds shall be held separate and apart in cash and investments. For the purpose of determining whether sufficient cash and investments are on deposit in such accounts under the terms and requirements of this Ordinance, investments shall be valued at market price on the valuation date thereof, which valuation date shall be not less frequently than annually.

(f) The Village will take no action in relation to the Pledged Revenues or the Pledged Taxes which would unfavorably affect the security of the Bonds or the prompt payment of the

principal and interest thereon or the 125% coverage required in subsection (b) above to maintain the Bonds as “alternate bonds” under Section 15 of the Debt Reform Act.

(g) The owner of any Bond may proceed by civil action to compel performance of all duties required by law and this Ordinance.

Section 23. Further Tax Covenants. The Village agrees to comply with all provisions of the Code which, if not complied with by the Village, would cause the Bonds not to be Tax-exempt. In furtherance of the foregoing provisions, but without limiting their generality, the Village agrees: (a) through its officers, to make such further specific covenants, representations as shall be truthful, and assurances as may be necessary or advisable; (b) to comply with all representations, covenants and assurances contained in certificates or agreements as may be prepared by Bond Counsel; (c) to consult with Bond Counsel and to comply with such advice as may be given; (d) to file such forms, statements and supporting documents as may be required and in a timely manner; and (e) if deemed necessary or advisable by its officers, to employ and pay fiscal agents, financial advisors, attorneys and other persons to assist the Village in such compliance.

The Village further certifies and covenants as follows with respect to the requirements of Section 148(f) of the Code relating to the rebate of “excess arbitrage profits” (the “Rebate Requirement”) to the United States:

A. Unless an applicable exception to the Rebate Requirement is available to the Village, the Village will meet the Rebate Requirement.

B. Relating to applicable exceptions, the Village Clerk or the Village President is hereby authorized to make such elections under the Code as either such officer shall deem reasonable and in the best interests of the Village. If such election may result in a “penalty in lieu of rebate” as provided in the Code, and such penalty is incurred (the “Penalty”), then the Village shall pay such Penalty.

C. The Designated Officers shall cause to be established, at such time and in such manner as they may deem necessary or appropriate hereunder, a “2022 General Obligation Bonds Rebate or Penalty, if applicable, Fund” (the “148 Compliance Fund”) for the Bonds, and such officers shall further, not less frequently than annually, cause to be transferred to the 148 Compliance Fund the amount determined to be the accrued liability under the Rebate Requirement or Penalty. Said Designated Officers shall cause to be paid to the United States Treasury, without further order or direction from the Corporate Authorities, from time to time as required, amounts sufficient to meet the Rebate Requirement or to pay the Penalty.

D. Interest earnings in the Bond Fund are hereby authorized to be transferred, without further order or direction from the Corporate Authorities, from time to time as required, to the 148 Compliance Fund for the purposes herein provided; and proceeds of the Bonds and other funds of the Village are also hereby authorized to be used to meet the Rebate Requirement or to pay the Penalty, but only if necessary after application of investment earnings as aforesaid and only as appropriated by the Corporate Authorities.

The Village also certifies and further covenants with the Purchaser and registered owners of the Bonds from time to time outstanding that moneys on deposit in any fund or account in connection with the Bonds, whether or not such moneys were derived from the proceeds of the sale of the Bonds or from any other source, will not be used in a manner which will cause the Bonds to be “arbitrage bonds” within the meaning of Code Section 148 and any lawful regulations promulgated thereunder, as the same presently exist or may from time to time hereafter be amended, supplemented or revised.

Section 24. Noncompliance with Tax Covenants. Notwithstanding any other provisions of this Ordinance, the covenants and authorizations contained in this Ordinance (the “Tax Sections”) which are designed to preserve the exclusion of interest on the Bonds from gross income under federal law (the “Tax Exemption”) need not be complied with if the Village receives an

opinion of nationally recognized bond counsel that any Tax Section is unnecessary to preserve the Tax Exemption.

Section 25. Opinion of Counsel Exception. The Village reserves the right to use or invest moneys in connection with the Bonds in any manner, notwithstanding the tax-related covenants set forth in Sections 16 through 25 herein, *provided* it shall first have received an opinion from Bond Counsel (or, in the event that Bond Counsel is unable or unwilling to provide such opinion, then from another attorney or a firm of attorneys of nationally recognized standing as bond counsel) to the effect that use or investment of such moneys as contemplated is valid and proper under applicable law and this Ordinance and, further, will not adversely affect the Tax-exempt status for the Bonds.

Section 26. Rights and Duties of Bond Registrar and Paying Agent. The Bond Registrar and Paying Agent shall:

- (a) act as bond registrar, paying agent, authenticating agent, and transfer agent as provided herein;
- (b) maintain a list of Bondholders as set forth herein;
- (c) cancel and/or destroy Bonds which have been paid at maturity or submitted for exchange or transfer; and
- (d) furnish the Village at least annually an audit confirmation of Bonds paid, Bonds outstanding and payments made with respect to interest on the Bonds.

Section 27. Defeasance. Any Bond or Bonds which (a) are paid and canceled, (b) which have matured and for which sufficient sums been deposited with the Paying Agent to pay all principal and interest due thereon, or (c) for which sufficient funds and Defeasance Obligations have been deposited with the Paying Agent or similar institution having trust powers to pay, taking into account investment earnings on such obligations, all principal of and interest on such Bond or Bonds when due at maturity or as called for redemption, pursuant to an irrevocable

escrow or trust agreement, shall cease to have any lien on or right to receive or be paid from the Pledged Taxes hereunder and shall no longer have the benefits of any covenant for the registered owners of outstanding Bonds as set forth herein as such relates to lien and security of the outstanding Bonds. All covenants relative to the payment, registration, transfer, and exchange; are expressly continued for all Bonds whether outstanding Bonds or not. For purposes of this Section, “Defeasance Obligations” means (a) direct and general full faith and credit obligations of the United States Treasury (“Directs”), (b) certificates of participation or trust receipts in trusts comprised wholly of Directs or (c) other obligations unconditionally guaranteed as to timely payment by the United States Treasury.

Section 28. Publication of Ordinance. A full, true and complete copy of this Ordinance shall be published within ten (10) days after passage in pamphlet form by authority of the Corporate Authorities.

Section 29. Superseder. All ordinances, resolutions and orders, or parts thereof, in conflict herewith, are to the extent of such conflict hereby superseded; and this Ordinance shall be in full force and effect immediately upon its passage and approval.
