

VILLAGE OF MAPLE PARK, KANE AND DEKALB COUNTIES
RESOLUTION NO. 2026-04 Approved: April 21, 2026

**A RESOLUTION AUTHORIZING APPROVAL OF
ELECTRIC SUPPLY RENEWAL CONTRACT FOR A
PERIOD UP TO 48 MONTHS IN THE VILLAGE OF MAPLE
PARK, KANE AND DEKALB COUNTIES, ILLINOIS.**

WHEREAS the Village of Maple Park, DeKalb and Kane County, Illinois ("the Village") is a duly organized and validly existing non-home-rule municipality and political subdivision of the State of Illinois created in accordance with the Constitution of the State of Illinois of 1970 and the laws of the State; and,

WHEREAS, on January 2, 2007, the State of Illinois implemented a plan to deregulate Commonwealth Edison; and,

WHEREAS, as a result of this deregulation, electricity may be purchased based on market price and Commonwealth Edison will no longer be the sole supplier of electricity in Northern Illinois, resulting in new electricity suppliers being able to compete against Commonwealth Edison, and create competitive market forces dictating the price of electricity; and,

WHEREAS, the Village has selected Progressive Energy Group (PEG) to serve as the Village's non-exclusive broker relative to the acquisition of electrical energy for Village facilities, due to PEG's municipal experience in Illinois and being a licensed broker with the Illinois Commission (ICC); and,

WHEREAS, there is no cost to the Village of Maple Park if the Village chooses the PEG electricity supplier, being built into the prices of the electricity bid, so there will be no direct payment made to PEG by the Village; and,

WHEREAS the Village has been working with PEG on electric procurement, demand response and solar since 2009, and the Village has enjoyed a good working relationship with PEG; and

NOW, THEREFORE, BE RESOLVED BY THE VILLAGE PRESIDENT AND VILLAGE BOARD OF THE VILLAGE OF MAPLE PARK, DEKALB AND KANE COUNTY, ILLINOIS, AS FOLLOWS:

Section 1. That the Progressive Energy Group (PEG) is hereby appointed the Village's non-exclusive broker for purposes of obtaining an electricity supply for the City's municipal needs.

Section 2. That the Village Administrator is authorized to negotiate energy rates directly with suppliers in an effort to secure lower energy costs.

Section 3. That in light of the time constraints and procedures required, applicable to the acceptance of a competitive bid for a supply of electricity, once the bids are received by PEG, the Village Administrator is hereby authorized to sign the contract with the most optimal bidder and report the results to the Village Board after the contract is executed.

Section 4. That the Village Administrator is authorized as the Village's authorized representative in matters concerning the bid.

Section 5: The Resolution shall be in full force and effect from and after its passage, approval, and publication, as provided by law.
