## **MEMORANDUM**

**TO:** Village President and Board of Trustees

**FROM:** Village Treasurer Shannon Warford

**DATE:** October 11, 2023

**SUBJECT: 2023 LOCAL DEBT RECOVERY PROGRAM ENROLLMENT**

### **BACKGROUND**

The Illinois Office of the Comptroller (IOC) offers local governments the opportunity to enroll in a Local Debt Recovery Program (LDRP) to assist in the collection of unpaid debt, such as water bills, parking tickets, and ordinance violations, at no charge to the Village. The Village would work with a Program Manager in accordance with an Intergovernmental Agreement (IGA). Collections can be made on anything less than 7 years old and the owed money is taken from state payment items, such as tax refunds or lottery payouts. Debtors are given notice of 60 days to comply prior to amounts being withheld.

### **RECOMMENDATION**

Staff recommends the Village Board sends the IGA with IOC to the regular board meeting for vote and approval.

**INTERGOVERNMENTAL AGREEMENT  
BY AND BETWEEN  
THE ILLINOIS OFFICE OF THE COMPTROLLER  
AND  
THE VILLAGE OF MAPLE PARK  
REGARDING ACCESS TO THE COMPTROLLER'S LOCAL DEBT RECOVERY  
PROGRAM**

This Intergovernmental Agreement ("the Agreement") is hereby made and entered into as of the date of execution by and between the Illinois Office of the Comptroller (hereinafter "IOC") and the Village of Maple Park (hereinafter "the local unit"), in order to provide the named local unit access to the Local Debt Recovery Program for purposes of collecting both tax and nontax debts owed to the named local unit. Each of the parties hereto is a "public agency" as defined in Section 2 of the Intergovernmental Cooperation Act [5 ILCS 220/2].

**WHEREAS**, both the State of Illinois and the local unit have a responsibility to collect debts owed to its respective public bodies;

**WHEREAS**, IOC operates a system, known as the Comptroller's Offset System (hereinafter, "the System"), for collection of debt owed the State by persons receiving payments from the State;

**WHEREAS**, the Illinois General Assembly specifically provided for the ability of the local unit to utilize the System when it amended Section 10.05 and added Section 10.05d to the State Comptroller Act [P.A. 97-632; 15 ILCS 405/10.05 and 10.05d];

**WHEREAS**, IOC and the local unit are empowered under the Illinois Constitution [Ill. Const., Art. VII, Sec. 10], Section 3 of the Intergovernmental Cooperation Act [5 ILCS 220/3], and Section 10.05d of the State Comptroller Act (hereinafter, "the Act") [15 ILCS 405/10.05d] to contract with each other in any manner not prohibited by law;

**NOW THEREFORE**, in consideration of the foregoing recitals and the mutual covenants and promises contained herein, the sufficiency of which is hereby acknowledged, the parties do hereby agree as follows:

**Article I – Purpose**

The purpose of the Agreement between the IOC and the local unit is to establish the terms and conditions for the offset of the State's tax and nontax payments in order to collect tax and nontax debts owed to the local unit.

**Article II – Authority**

The authority for State payment offset is granted under Section 10.05 of the Act [15 ILCS 405/10.05] and the authority for entering into this Agreement is granted under Section 10.05d of the Act [15 ILCS 405/10.05d], Section 3 of the Intergovernmental Cooperation Act [5 ILCS 220/3], and Article VII of the Illinois Constitution [Ill. Const., Art. VII, Sec. 10].

### **Article III – State Payment Offset Requirements and Operations**

- A. Legal Requirements. The offset of State payments shall be conducted pursuant to the authority granted in Section 10.05 and 10.05d of the Act [15 ILCS 405/10.05 and 10.05d] and the requirements set forth in this Agreement.

1. Definition of “Debt”

- (a) For purposes of this Agreement, debt shall mean any monies owed to the local unit which is less than 7 years past the date of final determination, as confirmed by the local unit in Article III(A)(2)(a)(viii) of this Agreement.
- (b) No debt which is more than 7 years past the date of final determination may be placed or may remain on the System.
- (c) No debt which has resulted in the issuance of a warrant for the arrest of the debtor may be placed or remain on the System so long as that warrant for arrest is active.
- (d) No debt which has resulted in the attachment of a lien on any personal property or other personal interest of the debtor shall be placed or remain on the System so long as that lien is attached to that property or interest.

2. Due Process & Notification

- (a) Before submitting a debt to IOC for State payment offset, the local unit must comply with all of the notification requirements of this Agreement. For purposes of this Agreement, notification of an account or claim eligible to be offset shall occur when the local unit submits to IOC the following information:
  - (i) the name and address and/or another unique identifier of the person against whom the claim exists;
  - (ii) the amount of the claim then due and payable to the local unit;
  - (iii) the reason why there is an amount due to the local unit (i.e., tax liability, overpayment, etc.);
  - (iv) the time period to which the claim is attributable;
  - (v) the local entity to which the debt is owed;
  - (vi) a description of the type of notification has been given to the person against whom the claim exists and the type of opportunity to be heard afforded to such a person;

- (vii) a statement as to the outcome of any hearings or other proceedings held to establish the debt, or a statement that no hearing was requested; and,
  - (viii) the date of final determination of the debt.
- (b) IOC will not process a claim under the Agreement until notification has been received from the local unit that the debt has been established through notice and opportunity to be heard.
  - (c) The local unit is required to provide the debtor with information about a procedure to challenge the existence, amount, and current collectability of the debt prior to the submission of a claim to IOC for entry into the System. The decision resulting from the utilization of this procedure must be reviewable.

### 3. Certification

- (a) The chief officer of the local unit shall, at the time the debt is referred, certify that the debt is past due and legally enforceable in the amount stated, and that there is no legal bar to collection by State payment offset.
- (b) Only debts finally determined as currently due and payable to the local unit may be certified to IOC as a claim for offset.
- (c) The chief officer of the local unit may delegate to a responsible person or persons the authority to execute the statement of the claim required by the Agreement.
- (d) This delegation of authority shall be made on either electronic or paper based forms provided by the Comptroller.
- (e) For purposes of this Agreement, “chief officer of the local unit” means the **Chief Officer Title**.
- (f) The chief officer hereby acknowledges and agrees that he/she will ensure that the login information into any electronic system provided by the Office of the Comptroller will remain confidential, that only active employees of the local unit may be granted the delegation of authority provided for in Part (c) of this Subsection, and that under no circumstances is a vendor, agent, consultant, collector or any other third-party representative of the local unit authorized to submit or certify debt to IOC on behalf of the local unit.

### 4. Notification of Change in Status

- (a) The chief officer must notify IOC as soon as possible, but in no case later than 30 days, after receiving notice of a change in the status of an offset claim.
- (b) A change in status may include, but is not limited to, payments received other than through a successful offset, the filing of a bankruptcy petition, the death of the debtor, or the expiration of the ability for the debt to remain on the System, as provided for in Article III(A)(1)(b) of this Agreement.

5. Notification of Change in the Chief Officer

- (a) The local unit shall be responsible for notifying IOC as soon as is practicable in the event the chief officer named in the Agreement is no longer an officer or employee of the local unit or is otherwise unable to perform the certification process provided for in Subsection 3 of this Section.
- (b) Upon obtaining knowledge that the chief officer is no longer an officer or employee of the local unit or is otherwise unable to perform the certification process provided for in Subsection 3 of this Section, whether through notification by the local unit or by any other means, IOC shall suspend the authority for the chief officer and any of his or her designees to certify debt to IOC.
- (c) The local unit shall be responsible for updating records with IOC in the event of a change in the chief officer in order to reestablish certification authority and resume collection by State payment offset.

B. Operational Requirements

- 1. Technical Requirements. IOC agrees to work with the local unit to facilitate information and data procedures as provided for in this Agreement. The local unit agrees to adhere to the standards and practices of IOC when transmitting and receiving data. The chief officer shall assume the responsibility of providing updates to the debtor records on file with IOC in order to ensure an equitable resolution of the debts owed to the local unit.
- 2. Fee. A fee may be charged to the debtor and shall be no more than \$20 per payment transaction. The fee will be deducted from the payment to be offset prior to issuance to the local unit.
- 3. Offset Notices. IOC will send offset notices to the debtor upon processing a claim under the Act and this Agreement. The notice will state that a request has been made to make an offset against a payment due to the debtor, identify the local unit as the entity submitting the request, provide the debtor with a phone number made available pursuant to Article III

(B)(6) of this Agreement, and inform the debtor that they may formally protest the offset within sixty (60) days of the written notice.

4. IOC Protest Process. If a protest is received, IOC will determine the amount due and payable to the local unit. This determination will be made by a Hearing Officer and will be made in light of all information relating to the transaction in the possession of IOC and any other information IOC may request and obtain from the local unit and the debtor subject to the offset. If IOC requests information from the local unit relating to the offset, the local unit will respond within sixty (60) days of IOC's request. IOC may grant the local unit an additional sixty (60) day extension for time to respond. The local unit shall complete an adjudication review with IOC in order to evaluate the local unit and the protest process prior to the offset of any State payments.
5. IOC Hearing Officer. The local unit hereby agrees to provide the Hearing Officer with any information requested in an efficient and timely manner in order to facilitate the prompt resolution to protests filed as a result of this Agreement. For purposes of this Agreement, any decision rendered by the Hearing Officer shall be binding on the local unit and shall be the final determination on the matter. The Hearing Officer may continue the review of a protest at his/her discretion in order to assure an equitable resolution.
6. Local Unit Call Center. The local unit hereby agrees to provide a working phone number which IOC will furnish to persons offset under this Agreement. The local unit shall ensure that the phone number is properly staffed in order to provide information about the debt the local unit is offsetting under this Agreement. The phone number for purposes of this Section and the Agreement is: 815-827-3309.
7. Debt Priorities. If a debtor has more than one local unit debt, the debt with the oldest date of entry on the System shall be offset first.
8. Transfer of Payment. Transfer of payment by IOC to the local unit shall be made in the form of electronic funds transfer (EFT). Nothing in this section or this Agreement shall limit the ability of either party to modify this Agreement at a later date in order to provide for an alternative method(s) of payment transfer.
9. IOC Refunds. If IOC determines that a payment is erroneous or otherwise not due to the local unit, IOC will process a refund of the offset, and refund the amount offset to the debtor. In the event the refund results in only a partial refund to the debtor, IOC will retain the fee referenced in Article III, Paragraph B, Section 2 above. The fee will only be refunded to the debtor in the event of a full refund of the offset amount.
10. Local Unit Refunds. The local unit is responsible for refunding monies to the debtor, including any and all administrative fees collected by IOC, if an offset occurred due to inaccurate debt information or over collection, and

the local unit has already received payment from IOC. IOC will only refund monies in the event that a payment has not yet been made to the local unit.

11. Third-Party Matching Services. IOC may utilize the services of a third-party vendor to assist in the identification of individual debtors. The local unit shall review and add any valid matches which result from the assistance of the third-party vendor within 30 days of receipt of the updated records. If the local unit is unable to add the valid matches within 30 days of receipt of the updated records, the chief officer must notify IOC as to the reason the local unit is not able to add the records in addition to a time frame for adding the records in the future.

#### **Article IV – Permissible Use of Information**

IOC acknowledges that the local unit is providing sensitive information about local debts for the purpose of conducting offsets under the Agreement. As such, IOC will use the information solely in connection with the Local Debt Recovery Program. IOC shall safeguard the local information in the same manner as it protects State debt information.

## MEMORANDUM

**TO:** Village President and Board of Trustees

**FROM:** Village Administrator Cheryl Aldridge

**DATE:** October 11, 2023

**SUBJECT: ORDINANCE REVIEW**

### **BACKGROUND**

At the Village Board's Committee of the Whole meeting on September 19, 2023, Village Attorney Kevin Buick advised the Village Board to task the Village Administrator to work with the Interim Chief of Police and the Village's Code Enforcement Officer on reviewing and making recommendations regarding the suggested changes made by some of the Trustees to village ordinances 7-4-3 Trailer Parking Prohibited and 11-9-3 Additional Parking Regulations. The main suggested changes included

- 1) Allowing gravel driveways
- 2) Allowing trailers and campers to park for an indefinite period of time, removing the 7-day time frame
- 3) Trailer Parking Permit (by VIN #)

We have reviewed the suggested changes to the above-mentioned village ordinances and found that these changes could present certain challenges and concerns for the Village. Here are some of the challenges and concerns that were discussed:

- Every property could be considered to be held to a different standard.
- These changes could be considered to lower the property value of homes in the Village.
- These changes could be considered unfair to those that did comply with the approved surfaces that are currently in the ordinance.
- If gravel was an approved surface for new driveways or extensions of driveways, a new home could be built and a gravel driveway would be allowed for a new build.
- If trailers or campers are parked indefinitely, this would increase the number of complaints and calls to both the Police Department and the Village Office.
- These changes could be considered a step back in improvements for the Village.
- Some residents may take advantage of permanent parking and reside in the trailer or camper.

### **RECOMMENDATION**

Staff is presenting the Board with the results of the discussion that was had between the Village Administrator, the Director of Public Works (Village's Code Enforcement Officer), and the Interim Chief of Police. Staff would appreciate direction from the Village Board on what the Board would like to do.
