Eric Wicklund and Gavin Male from Lodi Tap House was in attendance to ask for a change in the liquor ordinance in order to close the street for holiday festivities. Village President Kathy Curtis explained what the current liquor code says and said that this would require a code revision. Trustee Dries asked about the frequency of the events. Mr. Male said that they don't know for sure yet. President Curtis recommended that they do some parameters for the Board to consider. Trustee Terry Borg asked what kind of contributions Lodi Tap could make towards the police costs that occur during the events. Village Clerk Liz Peerboom advised that staff has a process in place to charge for police time for events.

Consensus was that staff from Lodi Tap House will do a hypothetical request and then the Board will do a comprehensive review of the code to be sure that it works for all licenses and the Village of Maple Park.

Anna Harmon from Shodeen was also in attendance to answer questions regarding the items that Shodeen had on the agenda.

A. RESOLUTIONS

1. RESOLUTION 2017-01 REO FUNDING SOLUTIONS REIMBURSEMENT AGREEMENT

AUTHORIZING THE VILLAGE PRESIDENT TO EXECUTE A REIMBURSEMENT AGREEMENT WITH REO FUNDING SOLUTIONS V, LLC

This agreement will allow the Village President to execute a reimbursement agreement with REO Funding Solutions under the Development agreement dated December 28, 2004, between the village and Carr Development Company with respect to the Squires Crossing Subdivision, in the amount of \$15,000. If approved, the \$15,000 would be reimbursed by way of reduction of building permit fees in the amount of \$375 for each of the 40 lots that are being purchased by Shodeen, Inc.

Trustee Goucher asked about a sundown date in the agreement. He requested that a sundown date of no more than 10 years be added to the agreement.

Village Attorney Kevin Buick said that it is a reasonable request in theory, but the village would need the agreement of Shodeen and REO Funding to change this agreement. Trustee Goucher questioned the fact that REO is actually the developer. Village Attorney Buick said that it has been established that REO Funding has taken over the rights and responsibilities of the subdivision.

Trustee Higgins said that, although the village wants this process to go forward, these questions need to be asked.

Ms. Anna Harmon, from Shodeen, said that her company plans to build 10 to 15 homes per year, but worst case would be 4-5 homes per year.

Trustee Borg said that he supports Luke's request. He asked about subsequent owners and if they would get the rebate. Mr. Buick said that any builder that pulls the permit would get the rebate, adding that the \$375 credit belongs to any builder that pulls the permit. Village Accountant Aldridge advised that there will be a process where staff will keep track of the addresses that receive the rebate and will not issue the rebate more than once to any address.

President Curtis suggested that the Board approve the agreement, and then she would speak to Dave Patzelt from Shodeen and then if necessary would sign the amended agreement. It was then decided that Ms. Harmon would speak to Mr. Patzelt.

B. ORDINANCES

Trustee Goucher made a motion to approve the Signage and Marketing Plan for the Squires Crossing Subdivision, seconded by Trustee Dries.

President Curtis advised that this plan conforms to the village's code and has been reviewed by the Building Inspector.

After a brief discussion, the motion carried by roll call vote. Aye: Harris, Dalton, Higgins, Borg, Dries, Goucher. Nay: None. Absent: None. (6-0-0)

2. MOTION TO APPROVE THE COVENANTS, CONDITIONS AND RESTRICTIONS OF THE SQUIRES CROSSING SUBDIVISION

3. MOTION TO APPROVE THE PURCHASE OF A POLICE VEHICLE IN THE NOT-TO-EXCEED AMOUNT OF \$34,700.

The Personnel & Communications Committee and the Infrastructure Committee discussed this purchase and agreed that the Police Department needs a new vehicle. Trustee Dries has been working with a dealership to get the lowest prices possible for the Village of Maple Park. This purchase would come from the FY17 budget and would be funded through the utility tax fund.

Trustee Dries made a motion to approve the purchase of a new police vehicle in the not to exceed amount of \$34,800.

Minutes Board of Trustees Meeting February 7, 2017 Page 6 of 7

President Curtis advised that she could not support the purchase of an SUV for a police vehicle; she would rather purchase a sedan.

Police Chief Tony Ayala said that he has emails from chiefs around the area explaining why they are getting away from sedans and purchasing SUVs. The Board discussed the difference between the sedan and the SUV and consensus was that the sedan would be the best purchase for the village at this time. Both Trustee Higgins and Trustee Higgins said that they could not support the purchase of an SUV.

Trustee Goucher said that he would like to amend the motion to be a not to exceed amount of \$31,500, and have it be a sedan and not a SUV. Trustee Dries accepted the amendment. Motion carried by roll call vote for the approval of the purchase of a sedan police vehicle in the not to exceed amount of \$31,500. Aye: Higgins, Borg, Dries, Goucher, Harris, Dalton. Nay: None. 2. PUBLIC COMMENTS – Any resident wishing to address the Committee may do so according to the Rules of Public Comment and should register with the Village Clerk prior to the meeting.

Mr. Patzelt explained that Shodeen Homes is under contract to purchase vacant lots in the Squire's Crossing subdivision. He has provided a list of questions that he is wanting answers on. He also discussed the cable television and cabling needs for the subdivision.

The questions that he had are as follows.

- 1. Are we required to have Covenants and Restrictions?
 - a. If yes
 - i. How do we get the existing home and lot owners to comply? From a purely legal standpoint, we cannot. We can ask them to voluntarily comply, but there is no way to force them to comply.
 - b. If no
 - i. Will the Village take ownership and maintenance of the vacant parcels?
 - ii. Will the SSA fund these spaces and do we really want the SSA to fund anything? Having the SSA fund small tasks can be cumbersome. The SSA was potentially established as a back-up or a supplement to stormwater maintenance obligations. In a functional subdivision, I would absolutely prefer that the SSA not fund anything if possible. With the small size of open spaces and the limited work for stormwater maintenance, it makes sense for the Village to take the responsibility. The LOC/REO should theoretically cover tree removal and stump spraying around the existing ponds
 - iii. Village needs to pass an ordinance removing the requirement for recorded CCR from the Development Agreement
- 2. Release of the requirement for the LOMR for lot 1 on the plat
- 3. Allow Shodeen to build on lots with the pending improvements to be completed at some point when weather permits.
- 4. Should the Village have their engineering conduct an inspection to see what if any improvements can be fully accepted now that the warranty period has elapsed? Perhaps create a punchlist.
- 5. Will the Village offer a rebate on building permits for the watermain oversizing per the Development Agreement?
- 6. Will the Village agree to dollars in the letter of credit to be used for the b-box replacement?

Minutes
Finance and Public Relations & Development Committee

Page 3 of 4

7. Will the Village offer any other rebates or discounts on impact fees?

The list of questions was discussed and the decision was made to further discuss these items at the Village Board meeting scheduled for Tuesday, December 6, 2016.

5. TAX LEVY DISCUSSION

The Committee was presented with the tax levy and Cheryl Aldridge, Village Accountant, explained the levy and the process by which she calculated the levy.

- o The Total Extension is \$214,513
- o Previous Year was \$210,982
- o The Tax Rate is 0.8314
- o Previous Year was 0.8712
- The largest factor of the decrease in the rate is the increase in the EAV (Equalized Assessed Value).
- o This year the EAV increased by 6.54%. Last year the increase was 4.79%, but the previous 5 years had been large decreases (2 years more than 10%).
- o In the example that is on page two of the levy, a home with an assessed value of \$64,500 last year (estimated value of \$193,500) would pay approximately \$9 more in Village Property Taxes this year than last year.

The board will have the Tax Levy on the December agenda for approval.

6. COLLECTION AGENCY DISCUSSION

The Committee will discuss acquiring the services of a new collection agency.

Trustee Dalton made a motion to send the Collection Agency Agreement to the Village Board Agenda for Board consideration at the December meeting, seconded by Trustee Higgins.

After discussion of the agreement, it was determined that Village Accountant Cheryl Aldridge would forward the agreement to the committee to review and contact the vendor for references.

The motion failed by voice vote.

INFRASTRUCTURE COMMITTEE MEETING MINUTES

Tuesday, January 31, 2017 7:00 p.m. Maple Park Civic Center 302 Willow Street, Maple Park, IL

1. CALL TO ORDER / ESTABLISHMENT OF QUORUM

Chairman Luke Goucher called the meeting to order at 7:01 p.m.

Village Clerk Liz Peerboom called the roll call and the following Committee members were present: Chairman Luke Goucher, Trustee JP Dries, and Trustee Chris Higgins.

Others present: Village President Kathy Curtis, Trustee Brandon Harris, and Village Clerk Liz Peerboom.

Trustee Terry Borg arrived at 7:06 p.m.

2. PUBLIC COMMENTS – Any resident wishing to address the Board may do so according to the Rules of Public Comment and should register with the Village Clerk prior to the meeting.

Village President Kathy Curtis was in attendance to speak to the committee about the following items:

- ♦ The engineering firm, Rempe-Sharp, would like to give a presentation to the committee regarding certain engineering-related items at a reduced hourly rate. Trustee Goucher suggested that they might have an employee that could provide services that would closely match a Village Administrator position. The consensus was to listen to the pitch and then decide if they have anything of interest to the village, which would be within the village's budget.
- ♦ President Curtis advised that she would be attending the Legislative Drive Down on March 15, 2017, with Metro West Council of Government and plans to attend the Mayor's Caucus and possibly get information from the IEPA about grants.
- President Curtis also advised the committee that Shodeen will have three items on the Board of Trustees meeting agenda in February. She explained that she negotiated with Shodeen and has agreed to a \$375 reduction in building permits for each of the 40 lots. She added that this agreement will be on the agenda for approval by the full Board.
- ♦ President Curtis advised that the Police Chief is working with the Fire Chief and the Village Engineering to craft an Emergency Management Plan for the Village of Maple

Minutes Infrastructure Committee Meeting Tuesday, January 31, 2017 Page 2 of 4

Park and she has asked Trustee Dries to be her second in command, in case the emergency happens when she is out of town.

3. APPROVAL OF MEETING MINUTES

- December 20, 2016
- January 24, 2017

Trustee Dries made a motion to approve the meeting minutes of December 20, 2016 and January 24, 2017, seconded by Trustee Higgins. Motion carried by voice vote.

4. DISCUSSION OF GIS UPDATES

Trustee Goucher asked about pricing for the new GIS. Trustee Harris advised that there is a one-time \$1,200 fee for license and \$400 annual maintenance fee. He also added that the ESRI rep will get the process rolling once the budget is approved. Trustee Goucher advised that the ESRI will come to the next meeting. Trustees Borg and Higgins asked about the fees. Trustee Dries asked who the main user would be and Trustee Goucher said that Jeremy and Mike will have input in the process, but staff would likely be the main user, although the login could be shared. Trustee Dries asked about adding the GPS device to the budget. Trustee Goucher suggested waiting until after the first year to see if the device is necessary.

Trustee Goucher called Village Engineer Jeremy Lin on the phone; advising that Mr. Lin did not attend the meeting due to illness.

Trustee Goucher asked how GIS pertains to Mr. Lin and the village's contract with him. Mr. Lin suggested that he would issue a work order for each item that needs to be added to the GIS. Trustee Goucher asked for scope and price. Mr. Lin said that the first step would be to build the GIS and suggested a standard hourly not-to-exceed \$7,000 agreement. Trustee Goucher asked about the hourly rate, and Mr. Lin said that it is \$85/hour.

Trustee Goucher asked about what it would take to transfer the current GIS to the new GIS. Trustee Harris advised that it would be an easy process, depending on the quality of the current GIS.

Mr. Lin then discussed some of the goals of the GIS and Trustee Goucher asked him to put that on paper for the next committee meeting.

5. DISCUSSION OF MAINTENANCE PLAN

Trustee Goucher asked about pricing for seal coating. Mr. Lin said that he is having difficulty getting quotes for the project because most seal coating companies are off for the winter. Mr. Lin said that an estimate would be \$35,000 to \$40,000 for both Ashton and DeKalb. He also advised that this is the least expensive option.

Minutes Infrastructure Committee Meeting Tuesday, January 31, 2017 Page 3 of 4

Trustee Goucher and Mr. Lin also discussed seal coating in the Settlement Subdivision in 2018. Trustee Dries advised that there hasn't been anything done in the Settlement Subdivision since 2005.

Trustee Borg mentioned a few areas where there are micro cracks that were not crack sealed because they were too small. He said those areas are now breaking up and he feels they need to be cut out and patched. Trustee Goucher suggested that the village budget for patching in Heritage Hills and seal coating in Heritage Hills and leave the Settlement for 2018, which would be FY2019.

President Curtis asked for documentation to put into the Emergency Management Plan. Mr. Lin said he would have it done by the end of next week.

6. DISCUSSION OF CAPITAL IMPROVEMENTS PLAN

None.

7. DISCUSSION OF GRANT WRITING

Discussion of deadlines for 2017 and all 2017 options
 None.

8. FLEET DISCUSSION

Trustee Dries discussed the current fleet of vehicles and equipment, and discussed the fact that the police department is in need of a new vehicle and Public Works is in need of a new pickup truck for plowing. He suggested getting a new pickup truck or a new dump. He advised that the village could pay cash for a new vehicle for the chief and also replace the computers this budget year, and then purchase a vehicle for public works next year. The Committee discussed financing, but Trustee Dries said that the percentage rate makes it not a good deal for the village. President Curtis said that she thinks that police vehicles are needed. She said that snow equipment can be hired out during a large snow event, but you can't do that with a police vehicle.

The Committee discussed the difference between purchasing an SUV-type vehicle versus a Sedan-type vehicle. Trustee Dries said that the chief was the one that said he would prefer the Explorer. Trustee Borg suggested buying used, but Trustee Dries said that from experience you really don't want to buy a used vehicle because the maintenance costs are very high.

Consensus was that the committee would move this forward as a Sedan-type vehicle purchase instead of an SUV-type vehicle purchase.

Trustee Goucher made a motion to purchase a vehicle in the not-to-exceed amount of \$34,700, seconded by Trustee Dries. Motion carried by voice vote.

Minutes Infrastructure Committee Meeting Tuesday, January 31, 2017 Page 4 of 4

9. DISCUSSION OF POLICY FOR LEASING MUNICIPAL INFRASTRUCTURE

The Committee discussed the reasons for the village needing such a policy. Consensus was that it is important for the village to have this type of policy. Trustee Goucher will reach out to other communities to see what they have in their policies. The Committee also discussed insurance concerns. Trustee Goucher will put together a draft policy and bring it to the next meeting.

10. OTHER ITEMS

Trustee Borg asked about WOW, the internet company. President Curtis said that they had completed their assessment in December and won't be moving forward until the middle of the year.

Trustee Dries asked about getting a deadline for the punchlist for Squires.

11. ADJOURNMENT

RESOLUTION	2017-02	Approved:	

A RESOLUTION SUPPORTING THE ABILITY OF MUNICIPALITIES TO SHARE LOCAL SALES TAX INFORMATION WITH OUTSIDE PROFESSIONALS FOR THE VILLAGE OF MAPLE PARK

WHEREAS, under the provisions of the Retailer's Occupation Tax Act (35 ILCS 12/1, *et seq.*), municipalities are provided sales tax return information by the Illinois Department of Revenue ("IDOR") for review and analysis; and,

WHEREAS, proper tracking and analysis of the sales tax return information received from IDOR is vital for municipalities; and,

WHEREAS, many municipalities do not have the resources necessary to employ in-house attorneys, accountants, auditors, and other financial professionals with the necessary expertise to properly track, review, and analyze the sales tax return information provided by IDOR; and,

WHEREAS, legislation has been introduced by the Illinois General Assembly that would amend the Retailer's Occupation Tax Act to prohibit municipalities from sharing sales tax return information provided by IDOR with anyone outside of a few municipal officials who must be directly employed by the municipality (herein after referred to as the "Proposed Amendments"); and,

WHEREAS, the Proposed Amendments would prevent a municipality from sharing sales tax return information with its attorneys, accountants, auditors, and other financial professionals if they are not directly employed by the municipality, even though these professionals are directly involved in the finances of the municipality; and,

WHEREAS, outside professionals are equipped with systems and technology that safeguard the confidentiality of sales tax information while many municipalities are not; and,

WHEREAS, prohibiting a municipality from sharing sales tax return information with outside professionals will be detrimental to municipalities when entering into economic incentive agreements and when issuing bonds, especially if such bonds or economic incentive agreements involve sales tax revenue; and,

WHEREAS, the Proposed Amendments to the Retailer's Occupation Tax Act would also prohibit a municipality from contracting with outside professionals to track sales tax revenues in order to ensure that a municipality is not losing out on unremitted revenue it is owed; and,

WHEREAS, based on the foregoing, the President and the Board of Trustees find that it is in the best interest of the Village of Maple Park and its residents to oppose the Proposed Amendments to the Retailer's Occupation Tax Act;

NOW, THEREFORE, BE IT RESOLVED that the Village of Maple Park, Illinois strongly supports the ability of the municipalities to share sales tax return information with outside professionals.

RECIPROCAL AGREEMENT ON EXCHANGE OF INFORMATION BETWEEN THE VILLAGE OF MAPLE PARK AND THE ILLINOIS DEPARTMENT OF REVENUE

The Illinois Department of Revenue (the "Department"), in accordance with the statutes of the State of Illinois, agrees to share under the terms of this Reciprocal Agreement on Exchange of Information (the "Reciprocal Agreement") with the Village of Maple Park (the "Municipality") financial information obtained pursuant to the Illinois Retailers' Occupation Tax Act, the Service Occupation Tax Act, the Use Tax Act, and the Service Use Tax Act (the "Tax Acts"). For purposes of this Reciprocal Agreement, "financial information" means the following information for each retailer or serviceman in the Municipality: (1) the business name; (2) the business address; (3) the standard classification number assigned to the business; (4) net revenue distributed to the requesting [municipality][county] that is directly related to the requesting municipality's local share of the proceeds under the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act distributed from the Local Government Tax Fund, and, if applicable, any locally imposed retailers' occupation tax or service occupation tax; and (5) a listing of all businesses within the requesting municipality by account identification number and address.

It is further agreed that all information exchanged will be used only for the official purposes of the State and of the Municipality and shall be kept confidential in accordance with the Tax Acts. Each party agrees to take appropriate steps to protect from unauthorized disclosure the tax information obtained pursuant to this Reciprocal Agreement and to destroy it when no longer needed by shredding or other appropriate means.

The Municipality agrees to follow the procedures to protect the confidentiality of information provided in "Minimum Standards Required to Safeguard Information Given as a Result of a Reciprocal Agreement on the Exchange of Information," which is incorporated into this Reciprocal Agreement as Attachment A. Both parties understand and agree that the Department will not provide any information under this Reciprocal Agreement to the Municipality unless and until the Municipality signs Attachment A.

It is agreed that only the chief executive officer of the Municipality will initiate a Reciprocal Agreement with the Department. Information provided to the Municipality under this Reciprocal Agreement may be shared with or viewed by only persons who are directly involved in the financial operations of the Municipality, including municipal employees, and persons, such as attorneys or accountants, retained by the Municipality. The information provided shall not, however, be shared with or viewed by any person who is compensated by the Municipality for services rendered on a contingent basis or any other similar method that may impair that person's independence or the perception of that person's independence. The chief executive officer shall provide the Department with a list of names and official titles of persons designated by him or her as persons exclusively authorized to request, view, or receive financial information on his or her behalf. The list shall be on Municipal letterhead and shall be signed by the chief executive officer. The information provided by the Department shall not be viewed by or shared with anyone who is not on the list. Each person designated to request, view, or receive financial information must acknowledge to the Department that he or she received and reviewed this Reciprocal Agreement and understands the legal and contractual obligation to maintain the confidentiality of this information by signing and returning Attachment B, which attachment shall

be incorporated into this Reciprocal Agreement. The Department agrees to provide the Municipality with a written list showing the names and official titles of Department employees designated by it to request, view, or receive financial information from the Municipality. Both parties agree to furnish additions to and deletions from the lists as they occur. It is agreed that no information provided under this Reciprocal Agreement will be provided by telephone or pursuant to a telephone request.

Both parties understand and agree that the Department will not provide any information under this Reciprocal Agreement to the Municipality unless and until the Municipality provides:

- a signed copy of this Reciprocal Agreement;
- a signed copy of Attachment A;
- a list of names and official titles of persons exclusively authorized to request, view, or receive financial information on Municipal letterhead, signed by the chief executive officer; and
- a completed and signed Attachment B for each person designated by the chief executive officer of the Municipality as authorized to request, view, or receive financial information.

It is further agreed that either party for administrative reasons may refuse to share information.

This Reciprocal Agreement may be canceled by either party at any time and <u>will be</u> canceled in the event of any unauthorized use or disclosure (verbally, in writing, or by any other means) of confidential financial information obtained pursuant to this Reciprocal Agreement or failure to abide by the procedures set forth by the Department for safeguarding the confidentiality of such confidential financial information.
