Trustee Goucher asked if all the village data was uploaded. Trustee Harris, Public

MINUTES Infrastructure Committee Meeting Tuesday, January 9, 2018 Page 2 of 4

Works Director Mike Miller and Mr. Lin agreed that all the village data has been uploaded.

Trustee Harris said that the village can also get a subscription that gives you a camera to take street level pictures of properties.

Mr. Miller discussed other information that he would like added to the GIS. Trustee Higgins suggested hiring interns from NIU to do some data entry.

Trustee Harris said that the next step is to set up the collector app. He also recommended the handheld GIS that plugs into a smart phone. He added that he has sent this info to the Village Accountant for the budget process.

5. DISCUSSION OF MAPLE PARK INTERNET SERVICES FOR THE VILLAGE

Trustee Harris advised that the committee previously agreed to keep the water tower agreement and the internet agreement separate, so Future Link has provided 3 separate agreements for the board to work on.

Trustee Goucher asked for clarification. Trustee Harris advised that Future Link is offering internet service, and the vendor wanted to provide different contracts to show that other communities have done the same thing.

Chris Higgins, Future Link said that from Future Link's standpoint, the rental rate in the contract is too high. So, they are asking that the village allow them to provide internet service to the village. Their proposal is to sign the agreement as is and then the village would pay \$100 per month for internet. He added that the internet contract is comparable to what the village pays now, and it is faster service.

Trustee Goucher asked why the committee and the Board would need a resolution for internet service. Village Clerk Peerboom explained that, although the Village President can contract for internet service without Board approval, in order to have this not appear as a conflict of interest between Trustee Higgins, President Curtis and Future Link, it would be better for the village to have a resolution.

Trustee Dries made a motion to move a resolution for internet service with Future Link to the full Board for approval, seconded by Trustee Goucher. Motion carried by roll call vote. Aye: Harris, Dries, Goucher. Nay: None. Absent: None. Abstain: Higgins.

6. ENGINEERING UPDATE

Village Engineer Jeremy Lin advised that he will be working on an acceptance memo for Squires Crossing. He is also working on budget items. He asked for a list of priorities on the paving plan. Trustee Dries asked if all the engineering for Center Street is done. Jeremy said that it is done, but it would have to be updated for MFT, which would be approximately \$5,000 more.

Trustee Goucher asked about the cost. Mr. Lin advised that it would be approximately

\$180,000, MFT engineering would be approximately 80,000.

The committee then discussed different paving scenarios and costs. The committee then discussed other items that may be added to the budget for next year.

Trustee Dries discussed establishing a foot print for a new water tower and asked how much it would cost to do the engineering to be sure that Memorial Park would be the ideal location. He also suggested putting deadlines on the Board to get a new water tower.

The meeting was interrupted at 7:46 p.m. due to a large argument in the gym. Meeting reconvened at 8:00 p.m.

The committee continued discussing the water tower locations. The committee then discussed other locations that might be in the TIF. Mr. Lin will put together a work order with different avenues for placement of a water tower.

7. PUBLIC WORKS UPDATE

Public Works Director Mike Miller said that he had a few things for the budget and the new employee is working out well. He added that the public works director position is evolving and when the village hires a new director they will need to think about making the position more administrative. Trustee Dries suggested getting rid of "Old Yeller." He advised that the Board will need to start prepping to replace this vehicle, which is a salt vehicle. Mr. Miller advised that it is a 1989 vehicle and the village would need to spend about \$50,000 to replace this vehicle, and the vehicle would need to be loaded twice to salt the entire village. He also said that there is a problem with the man holes in Heritage Hills that need to be taken care of, which makes it hard on a vehicle.

Trustee Dries asked for a replacement cost for the budget. Mr. Miller said that he will work on that.

Trustee Dries also asked about a boat and a sludge stick. Mr. Miller said that he got a boat given to him that the village can use. He would like to wait until spring to put in the water to make sure it doesn't leak.

Trustee Dries advised that the insurance paid \$4,050 for the police car that was totaled by water.

Mr. Miller wants to budget putting in a new forced air furnace in the police department. The committee then discussed possible different heating and cooling changes.

The committee also discussed whether it is still feasible to continue putting money into the Civic Center. Mr. Miller said that the village has already put so much money into the building that it wouldn't be good to sell the building.

MINUTES Infrastructure Committee Meeting Tuesday, January 9, 2018 Page 4 of 4

You can purchase it and turn the invoice in or possibly work with the vendor to provide it with the promise of payment to them after you turn your invoice in. The turnaround for the invoice shouldn't take too long.

The Cable Service provided shall not be distributed beyond the originally installed outlet without authorization from the Grantee. The Cable Service provided shall not be used for commercial purposes, and such outlets shall not be located in areas open to the public. The Franchising Authority shall take reasonable precautions to prevent any inappropriate use of the Grantee's Cable System or any loss or damage to Grantee's Cable System. The Franchising Authority shall hold the Grantee harmless from any and all liability or claims arising out of the provision and use of Cable Service required by this subsection. The Grantee shall not be required to provide an outlet to such buildings where a non-Standard Installation is required, unless the Franchising Authority or building owner/occupant agrees to pay the incremental cost of any necessary Cable System extension and/or non-Standard Installation. If additional outlets of Basic Cable Service are provided to such buildings, the building owner/occupant shall pay the usual installation and service fees associated therewith.

3.12 Reimbursement of Costs. If funds are available to any Person using the Public Way for the purpose of defraying the cost of any of the foregoing, the Franchising Authority shall reimburse the Grantee in the same manner in which other Persons affected by the requirement are reimbursed. If the funds are controlled by another governmental entity, the Franchising Authority shall make application for such funds on behalf of the Grantee.

- C. Notwithstanding anything to the contrary set forth in this subsection 4.3, the Grantee and the Franchising Authority agree that at any time during the term of the then current Franchise, while affording the public appropriate notice and opportunity to comment in accordance with the provisions of federal law the Franchising Authority and the Grantee may agree to undertake and finalize informal negotiations regarding renewal of the then current Franchise and the Franchising Authority may grant a renewal thereof.

The Grantee and the Franchising Authority agree that in the case of a final determination of a lawful revocation of the Franchise, the Grantee shall be given at least twelve (12) months to effectuate a transfer of its Cable System to a qualified third party. Furthermore, the Grantee shall be authorized to continue to operate pursuant to the terms of its prior Franchise during this period. If, at the end of that time, the Grantee is unsuccessful in procuring a qualified transferee or assignee of its Cable System which is reasonably acceptable to the Franchising Authority, the Grantee and the Franchising Authority may avail themselves of any rights they may have pursuant to federal or state law. It is further agreed that the Grantee's continued operation of the Cable System during the twelve (12) month period shall not be deemed to be a waiver, nor an extinguishment of, any rights of either the Franchising Authority or the Grantee.

4.5 Transfer of Franchise. The Grantee's right, title, or interest in the Franchise shall not be sold, transferred, assigned, or otherwise encumbered, other than to an entity controlling, controlled by, or under common control with the Grantee, without prior written notice to the Franchising Authority. No such notice shall be required, however, for a transfer in trust, by mortgage, by other hypothecation, or by assignment of any rights, title, or interest of the Grantee in the Franchise or Cable System in order to secure indebtedness.

SECTION 5 Books and Records

The Grantee agrees that the Franchising Authority, upon thirty (30) days written notice to the Grantee and no more than once annually may review such of its books and records at the Grantee's business office, during normal business hours and on a nondisruptive basis, as is reasonably necessary to ensure compliance with the terms of this Franchise. Such notice shall specifically reference the subsection of the Franchise that is under review so that the Grantee may organize the necessary books and records for easy access by the

Franchising Authority. Alternatively, if the books and records are not easily accessible at the local office of the Grantee, the Grantee may, at its sole option, choose to pay the reasonable travel costs of the Franchising Authority's representative to view the books and records at the appropriate location. The Grantee shall not be required to maintain any books and records for Franchise compliance purposes longer than three (3) years. Notwithstanding anything to the contrary set forth herein, the Grantee shall not be required to disclose information that it reasonably deems to be proprietary or confidential in nature, nor disclose books and records of any affiliate which is not providing Cable Service in the Service Area. The Franchising Authority agrees to treat any information disclosed by the Grantee as confidential and only to disclose it to employees, representative, and agents thereof that have a need to know, or in order to enforce the provisions hereof. The Grantee shall not be required to provide Subscriber information in violation of Section 631 of the Cable Act.

SECTION 6 Insurance and Indemnification

- Insurance Requirements. The Grantee shall maintain insurance in full force and effect, at its own cost and expense, during the term of the Franchise. The Franchising Authority shall be designated as an additional insured and such insurance shall be noncancellable except upon thirty (30) days prior written notice to the Franchising Authority. Upon written request, the Grantee shall provide a Certificate of Insurance showing evidence of the coverage required by this subsection.
- Indemnification. The Grantee agrees to indemnify, save and hold harmless, and defend the Franchising Authority, its officers, boards and employees, from and against any liability for damages and for any liability or claims resulting from property damage or bodily injury (including accidental death), which arise out of the Grantee's construction, operation, or maintenance of its Cable System in the Service Area provided that the Franchising Authority shall give the Grantee written notice of its obligation to indemnify the Franchising Authority within ten (10) days of receipt of a claim or action pursuant to this subsection. Notwithstanding the foregoing, the Grantee shall not indemnify the Franchising Authority for any damages, liability or claims resulting from the willful misconduct or negligence of the Franchising Authority.

SECTION 7 Enforcement and Termination of Franchise

7.1 <u>Notice of Violation.</u> In the event that the Franchising Authority believes that the Grantee has not complied with any material term of the Franchise, the Franchising Authority shall informally discuss the matter with Grantee. If these discussions do not lead to resolution of the problem, the Franchising Authority shall notify the Grantee in writing of the exact nature of such alleged noncompliance.

- 7.2 The Grantee's Right to Cure or Respond. The Grantee shall have thirty (30) days from receipt of the notice described in subsection 7.1: (A) to respond to the Franchising Authority, contesting the assertion of such noncompliance, or (B) to cure such default, or (C) in the event that, by the nature of such default, it cannot be cured within the thirty (30) day period, initiate reasonable steps to remedy such default and notify the Franchising Authority of the steps being taken and the projected date they will be completed.
- 7.3 Public Hearing. In the event that the Grantee fails to respond to the notice described in subsection 7.1 pursuant to the procedures set forth in subsection 7.2, or in the event that the alleged default is not remedied within thirty (30) days or the date projected pursuant to 7.2(C) above, if it intends to continue its investigation into the default, then the Franchising Authority shall schedule a public hearing. The Franchising Authority shall provide the Grantee at least ten (10) days prior written notice of such hearing, which specifies the time, place and purpose of such hearing, and provide the Grantee the opportunity to be heard.
- 7.4 <u>Enforcement.</u> Subject to applicable federal and state law, in the event the Franchising Authority, after the hearing set forth in subsection 7.3, determines that the Grantee is in material default of any provision of the Franchise, the Franchising Authority may:
 - A. Commence an action for monetary damages or seek other equitable relief; or
 - B. In the case of repeated or ongoing substantial non-compliance with a material term or terms of the Franchise, seek to revoke the Franchise in accordance with subsection 7.5.
- 7.5 Revocation. Should the Franchising Authority seek to revoke the Franchise after following the procedures set forth in subsections 7.1-7.4 above, the Franchising Authority shall give written notice to the Grantee of its intent. The notice shall set forth the exact nature of the repeated or ongoing substantial noncompliance with a material term or terms of the franchise. The Grantee shall have ninety (90) days from such notice to object in writing and to state its reasons for such objection. In the event the Franchising Authority has not received a satisfactory response from the Grantee, it may then seek termination of the Franchise at a public hearing. The Franchising Authority shall cause to be served upon the Grantee, at least thirty (30) days prior to such public hearing, a written notice specifying the time and place of such hearing and stating its intent to revoke the Franchise.

At the designated hearing, Grantee shall be provided a fair opportunity for full participation, including the right to be represented by legal counsel, to introduce relevant evidence, to require the production of evidence, to compel the relevant testimony of the officials, agents, employees or consultants of the Franchising Authority, to compel the testimony of other persons as permitted by law, and to question witnesses. A complete verbatim record and transcript shall be made of such hearing.

Following the hearing, the Franchising Authority shall determine whether or not the Franchise shall be revoked. If the Franchising Authority determines that the Franchise shall be revoked, the Franchising Authority shall promptly provide Grantee with its decision in writing. The Grantee may appeal such determination of the Franchising Authority to an appropriate court which shall have the power to review the decision of the Franchising Authority de novo. Grantee shall be entitled to such relief as the court finds appropriate. Such appeal must be taken within sixty (60) days of Grantee's receipt of the determination of the Franchising Authority.

The Franchising Authority may, at its sole discretion, take any lawful action which it deems appropriate to enforce the Franchising Authority's rights under the Franchise in lieu of revocation of the Franchise.

7.6 Force Majeure. The Grantee shall not be held in default under, or in noncompliance with, the provisions of the Franchise, nor suffer any enforcement or penalty relating to noncompliance or default, where such noncompliance or alleged defaults occurred or were caused by circumstances reasonably beyond the ability of the Grantee to anticipate and control. This provision includes work delays caused by waiting for utility providers to service or monitor their utility poles to which the Grantee's Cable System is attached, as well as unavailability of materials and/or qualified labor to perform the work necessary.

Furthermore, the parties hereby agree that it is not the Franchising Authority's intention to subject the Grantee to penalties, fines, forfeitures or revocation of the Franchise for violations of the Franchise where the violation was a good faith error that resulted in no or minimal negative impact on the Subscribers within the Service Area, or where strict performance would result in practical difficulties and hardship to the Grantee which outweigh the benefit to be derived by the Franchising Authority and/or subscribers.

SECTION 8 Miscellaneous Provisions

- **Actions of Parties.** In any action by the Franchising Authority or the Grantee that is mandated or permitted under the terms hereof, such party shall act in reasonable, expeditious, and timely manner. Furthermore, in any instance where approval or consent is required under the terms hereof, such approval or consent shall not be unreasonably withheld.
- **Entire Agreement.** This Franchise constitutes the entire agreement between the Grantee and the Franchising Authority and supersedes all other prior understandings and agreements oral or written. Any amendments to this Franchise shall be mutually agree to in writing by the parties.
- **8.3** Reservation of Rights. Acceptance of the terms and conditions of this franchise will not constitute, or be deemed to constitute, a waiver, either expressly or impliedly, by Grantee of any constitutional or legal right which it may have or may be determined to

have, either by subsequent legislation or court decisions. The Franchising Authority acknowledges that Grantee reserves all of its rights under applicable Federal and State Constitutions and laws.

- **8.4** <u>Peddlers/Solicitors.</u> The Grantee shall be required to follow the Franchise Authority's Peddlers/Solicitors Ordinance. The Grantee, however, shall be exempt from all required Peddlers fees.
- 8.5 Notice. Unless expressly otherwise agreed between the parties, every notice or response required by this Franchise to be served upon the Franchising Authority or the Grantee shall be in writing, and shall be deemed to have been duly given to the required party when place in a properly sealed and correctly address envelope: (a) upon receipt when hand delivered with receipt/acknowledgment, (b) upon receipt when sent certified, registered mail, (c) within five (5) business days after having been posted in the regular mail or (d) or the next business day if sent by express mail or overnight air courier.

The notices or responses to the Franchising Authority shall be addressed as follows:

Village of Maple Park P.O. Box 220 Maple Park, IL 60151-0220

The notices or responses to the Grantee shall be addressed as follows:

MEDIACOM ILLINOIS LLC 100 Crystal Run Road Middletown, NY 10941

With a copy to:

Mediacom Communication Attn: LeeAnn Herrera, Sr. Manager Government Relations 3900 26th Avenue Moline, IL 61265

The Franchising Authority and the Grantee may designate such other address or addresses from time to time by giving notice to the other in the manner provided for in this subsection.

- **8.6** <u>Descriptive Headings.</u> The captions to Sections and subsections contained herein are intended solely to facilitate the reading thereof. Such captions shall not affect the meaning or interpretation of the text herein.
- **8.7 Severability.** If any Section, subsection, sentence, paragraph, term or provision hereof is determined to be illegal, invalid, or unconstitutional, by any court of competent jurisdiction or by any state or federal regulatory authority having jurisdiction thereof,

such determination shall have no effect on the validity of any other Section, subsection, sentence, paragraph, term or provision hereof, all of which will remain in full force and effect for the term of the Franchise.

8.8 <u>Term and Effective Date.</u> The Effective Date of this Franchise is the date of final adoption by the Franchising Authority as set forth below subject to Grantee's acceptance by countersigning where indicated below. This Franchise shall be for a term of ten (10) years from such Effective Date and shall expire on December 31, 2022.

A RESOLUTION SUPPORTING THE ABILITY OF MUNICIPALITIES TO SHARE LOCAL SALES TAX INFORMATION WITH OUTSIDE PROFESSIONALS FOR THE VILLAGE OF MAPLE PARK

WHEREAS, under the provisions of the Retailer's Occupation Tax Act (35 ILCS 12/1, et seq.), municipalities are provided sales tax return information by the Illinois Department of Revenue ("IDOR") for review and analysis; and,

WHEREAS, proper tracking and analysis of the sales tax return information received from IDOR is vital for municipalities; and,

WHEREAS, many municipalities do not have the resources necessary to employ in-house attorneys, accountants, auditors, and other financial professionals with the necessary expertise to properly track, review, and analyze the sales tax return information provided by IDOR; and,

WHEREAS, legislation has been introduced by the Illinois General Assembly that would amend the Retailer's Occupation Tax Act to prohibit municipalities from sharing sales tax return information provided by IDOR with anyone outside of a few municipal officials who must be directly employed by the municipality (herein after referred to as the "Proposed Amendments"); and,

WHEREAS, the Proposed Amendments would prevent a municipality from sharing sales tax return information with its attorneys, accountants, auditors, and other financial professionals if they are not directly employed by the municipality, even though these professionals are directly involved in the finances of the municipality; and,

WHEREAS, outside professionals are equipped with systems and technology that safeguard the confidentiality of sales tax information while many municipalities are not; and,

WHEREAS, prohibiting a municipality from sharing sales tax return information with outside professionals will be detrimental to municipalities when entering into economic incentive agreements and when issuing bonds, especially if such bonds or economic incentive agreements involve sales tax revenue; and,

WHEREAS, the Proposed Amendments to the Retailer's Occupation Tax Act would also prohibit a municipality from contracting with outside professionals to track sales tax revenues in order to ensure that a municipality is not losing out on unremitted revenue it is owed; and,

WHEREAS, based on the foregoing, the President and the Board of Trustees find that it is in the best interest of the Village of Maple Park and its residents to oppose the Proposed Amendments to the Retailer's Occupation Tax Act;

NOW, THEREFORE, BE IT RESOLVED that the Village of Maple Park, Illinois strongly supports the ability of the municipalities to share sales tax return information with outside professionals.

RECIPROCAL AGREEMENT ON EXCHANGE OF INFORMATION BETWEEN THE VILLAGE OF MAPLE PARK AND THE ILLINOIS DEPARTMENT OF REVENUE

The Illinois Department of Revenue (the "Department"), in accordance with the statutes of the State of Illinois, agrees to share under the terms of this Reciprocal Agreement on Exchange of Information (the "Reciprocal Agreement") with the Village of Maple Park (the "Municipality") financial information obtained pursuant to the Illinois Retailers' Occupation Tax Act, the Service Occupation Tax Act, the Use Tax Act, and the Service Use Tax Act (the "Tax Acts"). For purposes of this Reciprocal Agreement, "financial information" means the following information for each retailer or serviceman in the Municipality: (1) the business name; (2) the business address; (3) the standard classification number assigned to the business; (4) net revenue distributed to the requesting [municipality][county] that is directly related to the requesting municipality's local share of the proceeds under the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act distributed from the Local Government Tax Fund, and, if applicable, any locally imposed retailers' occupation tax or service occupation tax; and (5) a listing of all businesses within the requesting municipality by account identification number and address.

It is further agreed that all information exchanged will be used only for the official purposes of the State and of the Municipality and shall be kept confidential in accordance with the Tax Acts. Each party agrees to take appropriate steps to protect from unauthorized disclosure the tax information obtained pursuant to this Reciprocal Agreement and to destroy it when no longer needed by shredding or other appropriate means.

The Municipality agrees to follow the procedures to protect the confidentiality of information provided in "Minimum Standards Required to Safeguard Information Given as a Result of a Reciprocal Agreement on the Exchange of Information," which is incorporated into this Reciprocal Agreement as Attachment A. Both parties understand and agree that the Department will not provide any information under this Reciprocal Agreement to the Municipality unless and until the Municipality signs Attachment A.

It is agreed that only the chief executive officer of the Municipality will initiate a Reciprocal Agreement with the Department. Information provided to the Municipality under this Reciprocal Agreement may be shared with or viewed by only persons who are directly involved in the financial operations of the Municipality, including municipal employees, and persons, such as attorneys or accountants, retained by the Municipality. The information provided shall not, however, be shared with or viewed by any person who is compensated by the Municipality for services rendered on a contingent basis or any other similar method that may impair that person's independence or the perception of that person's independence. The chief executive officer shall provide the Department with a list of names and official titles of persons designated by him or her as persons exclusively authorized to request, view, or receive financial information on his or her behalf. The list shall be on Municipal letterhead and shall be signed by the chief executive officer. The information provided by the Department shall not be viewed by or shared with anyone who is not on the list. Each person designated to request, view, or receive financial information must acknowledge to the Department that he or she received and reviewed this Reciprocal Agreement and understands the legal and contractual obligation to maintain the confidentiality of this information by signing and returning Attachment B, which attachment shall be incorporated into this Reciprocal Agreement. The Department agrees to provide the Municipality with a written list showing the names and official titles of Department employees designated by it to request, view, or receive financial information from the Municipality. Both parties agree to furnish additions to and deletions from the lists as they occur. It is agreed that no information provided under this Reciprocal Agreement will be provided by telephone or pursuant to a telephone request.

Both parties understand and agree that the Department will not provide any information under this Reciprocal Agreement to the Municipality unless and until the Municipality provides:

- a signed copy of this Reciprocal Agreement;
- a signed copy of Attachment A;
- a list of names and official titles of persons exclusively authorized to request, view, or receive financial information on Municipal letterhead, signed by the chief executive officer; and
- a completed and signed Attachment B for each person designated by the chief executive officer of the Municipality as authorized to request, view, or receive financial information.

It is further agreed that either party for administrative reasons may refuse to share information.

This Reciprocal Agreement may be canceled by either party at any time and will be canceled in the event of any unauthorized use or disclosure (verbally, in writing, or by any other means) of confidential financial information obtained pursuant to this Reciprocal Agreement or failure to abide by the procedures set forth by the Department for safeguarding the confidentiality of such confidential financial information.

Any information stored in an electronic format shall be password protected and restricted to only those persons authorized under the Reciprocal Agreement to receive information.
- 3. Any Municipality that receives information under the Reciprocal Agreement will promptly notify the Department when a person who has been authorized to receive information under the Reciprocal Agreement, leaves employment of the Municipality or otherwise is no longer authorized by statute or by the Municipality to receive the information.

- 8. Information received under the Reciprocal Agreement is exempt from disclosure under section 7(1)(a) of the Freedom of Information Act (FOIA). Section 11 of the Retailer's Occupation Tax Act (ROTA) specifically prohibits disclosure of this information. To

The Village of Maple Park agrees to abide by the aforementioned standards in safeguarding the information that it receives pursuant to the Reciprocal Agreement, which it has entered into with the Illinois Department of Revenue.
