TOWN HALL/BOARD OF TRUSTEES SPECIAL MEETING MINUTES MONDAY, JULY 17, 2023 7:00 p.m. MAPLE PARK CIVIC CENTER 302 WILLOW STREET, MAPLE PARK

1. CALL TO ORDER

President Fahnestock called the Town Hall Special Board Meeting to order at 7:00 p.m.

2. PLEDGE OF ALLEGIANCE

President Fahnestock led everyone in the Pledge of Allegiance.

3. ROLL CALL/QUORUM ESTABLISHED

President Fahnestock asked for a roll call to establish a quorum.

Village Clerk Caryn Minor called the roll call and the following Board Members were present: President Suzanne Fahnestock, Trustee Groezinger, Trustee Joy, Trustee Peloso, Trustee Simon and Trustee Speare. Absent: Trustee Ward

Also present were Village Administrator Cheryl Aldridge, Police Chief David Krull, Director of Public Works Lou Larson, Village Treasurer Shannon Warford and Village Clerk Caryn Minor.

Members of the public present are found on the meeting sign in sheet.

President Fahnestock confirmed a quorum was established.

4. PRESENTATION OF SOLAR PROJECT BY CENERGY

Trustee Ward arrived at 7:12 p.m.

President Fahnestock acknowledged the purpose of tonight's meeting adding it will adjourn no later than 9:00 p.m. President Fahnestock introduced the representatives from Cenergy and asked them to begin their prepared presentation. Cenergy representative Chad Chahbazi, a lead development team member introduced himself and acknowledged his peer John Prock was in attendance today. Mr. Chahbazi quickly gave an overview of Cenergy's experience, financial stability and commitment to communities like Maple Park and how communities can benefit from such projects.

Minutes Town Hall/Board of Trustees Special Meeting July 17, 2023 Page 2 of 5

Mr. Chahbazi reviewed the project Cenergy has created for the Village of Maple Park. The solar project would occupy 25 leased acres on Maple Park Road and Pritchard Road. Chahbazi reported the solar farm's life expectancy was estimated at 35 years and then it would be completely removed. Reporting the project would produce little to no noise or traffic. Chahbazi noted the project if approved would begin construction this time next year in 2024.

Mr. Chahbazi reported the project would generate \$30,000 to \$35,000 and the PIN would be attached to the developer not the land owner. Therefore, Cenergy would be paying all the taxes. Chahbazi reported Cenergy would purchase 5 acres from the land owner near the Village's water treatment plant to be donated directly to the Village. He also confirmed the cash donation, that would go directly to the Village to use for any purpose, had been raised to \$600,000. Chahbazi acknowledged a beneficial savings program specifically for Maple Park residents would be set up and the residents that subscribed to the power program would get a 30% discount off their power bills.

Mr. Chahbazi in closing acknowledged this has been his life's work and he is extremely proud of Cenergy and what they do for communities like Maple Park.

5. FACILITATION OF PUBLIC QUESTIONS AND COMMENTS BY VILLAGE ADMINISTRATOR

Village Administrator Aldridge the facilitator of today's Town Hall Special Board Meeting read the Village of Maple Park Town Hall Rules for public comment out loud.

Administrator Aldridge announced the speakers would be called in the order they signed in and requested they state their names and what street they reside on before they begin speaking.

Roy Christopher approached the podium after being called and stated his name and reported he lived on Pritchard. Mr. Christopher discussed his concerns living in close proximity to the project and discussed how the visual effects would affect him and his family.

Pat Lunardon stated her name and reported she lived on DeKalb Drive. Ms. Lunardon confirmed she had acted solely distributing fliers within the community informing residents of the Town Hall meeting tonight.

Christine Daniels stated her name and reported she lived on Pin Oaks Lane. Ms. Daniels discussed her concerns in regard to the battery that would be onsite at the solar project and questioned why it needed to be placed there. She asked for confirmation Cenergy would be supplying the previously reported training to the fire department. Mr. Chahbazi acknowledged Cenergy's fire training commitment and reported the lithium-ion battery was very safe. Daniels questioned if the solar farm would be removed after the 35-year lease had expired. Mr. Chahbazi responded yes and stated a deactivation plan was a state

Minutes Town Hall/Board of Trustees Special Meeting July 17, 2023 Page 3 of 5

mandate. Ms. Daniels questioned the risk to the farmland and if there would be increased blackouts. Mr. Chahbazi stated there would be no risk to the farmland or of increased blackouts.

Roger Kahl stated his name and reported he lived on Green Street. Mr. Kahl stated while solar farms may take up a lot of farming land, in this situation there is a possibility if this project is not approved in Maple Park Dekalb County could allow this or a similar project closer to the community. He asked Mr. Chahbazi if there would be a subscriber fee on discussed power program and could you unsubscribe any time. Mr. Chahbazi confirmed there was no subscriber fee and you could unsubscribe anytime. In closing Mr. Kahl acknowledged the 7-foot fence the program included to reduce visual effects of the solar farm.

Elizabeth Van Cleve stated her name and reported she lived on DeKalb Drive. Ms. VanCleve confirmed she was in favor of the solar farm, reporting the Village and residents would benefit. She noted times were changing and the benefits far outweighed the negatives.

De Zikis stated her name and reported she lived on Ashton Drive. Ms. Zikis was not in favor or against the solar project. She reported her recent research had her concerned with the project's close proximity to residents. She also had concerns about the batteries, panels creating toxic waste, seepage and the possibility of increased power outages. Mr. Chahbazi addressed her concerns and noted there was no toxic materials in the project, he reported Cenergy has had no issues of seepage at any solar project and recycling plans were being created for solar farm materials. He also noted there was no health risk of exposure from this solar project as it produced only a safe low voltage in comparison to regular power lines.

Catherine Mathews stated her name and reported she lived on DeKalb Drive. Ms. Mathews reported she already had solar panels on her roof and it had been financially beneficial with no problems. She questioned if homes with solar panels could benefit from the project or did her homes panels need to be removed to benefit. Mr. Chahbazi responded that solar roof top homes can not benefit from the project unless the panels were removed. He noted the saving would be similar. Ms. Mathews reported she paid \$35 dollars to rent the panels and her electric bill had had at zero cost.

Bart Shaver stated his name and reported he lived on Inverness. Mr. Shaver questioned what Cenergy's carbon foot print was? He also inquired about the effects of technology as it catches up and passes this and similar solar projects in the future. Mr. Shaver asked President Fahnestock when the Board would vote on the Solar Farm? President Fahnestock responded tomorrow night. Mr. Chahbazi addressed the questions and reported Cenergy used only materials purchased in the U.S.A. He was unsure how to answer the question on Cenergy 's carbon footprint. He noted most materials at Cenergy's solar projects could and would be recycled but could not confirm if it included batteries.

Minutes Town Hall/Board of Trustees Special Meeting July 17, 2023 Page 4 of 5

Mike Miller stated his name and reported he lived on Maple Avenue. Mr. Miller questioned who would maintain the solar project's landscaping and controlling of the weeds. Mr. Chahbazi confirmed that Cenergy would manage the property and control the weeds as needed.

Kate Wiltse stated her name and reported she lived on Maple Park Road. Ms. Wiltse questioned the effects the solar project would have on home values. Mr. Chahbazi stated studies have been done by private companies that indicate there is no impact on property values.

Taylor Miller stated her name and reported she lived on Pritchard Road. Ms. Miller confirmed her property was in very close proximity to the solar project site. She relayed her concerns about the increased monetary donation to the Village. She added Cenergy and the property owner would benefit from this solar project not the residents or Village of Maple Park. Ms. Miller asked the Village President if there were plans to enlarge the waste- water treatment plant. President Fahnestock responded there was not a current plan to enlarge the plant however if the Village grows this could change. Mr. Chahbazi responded to the \$600,000 donation confirming it was generated and encouraged by the State and other jurisdictions had gotten monetary donations. He confirmed this was a State funded program essentially from tax dollars. He noted again the fence would help with the visual effects. Ms. Miller questioned if there would be adequate piping for the fire department and would dry pipes be installed. Mr. Chahbazi reported there is a very low fire risk.

Brad Miller stated his name and reported he owned the property on Pritchard that Taylor Miller lived at. Mr. Miller relayed his concern for the drainage tiles located on the project's site. He questioned if damaged, would the tiles be repaired. Mr. Chahbazi reported the project would be designed to avoid the drainage tiles across the property and if damaged, he noted the tiles would be repaired. Mr. Miller reported the historical flooding that residents were aware of off of Maple Park Road. Mr. Chahbazi reported that Cenergy would be following all State guidelines.

Andrea Helm stated her name and reported she lived on Burlington Drive. Ms. Helm questioned Cenergy's maintenance practices and commitment for the solar site and noted it will affect the property values.

Christine Daniels stood again and stated if the town could not support growth, it should be restricted. Ms. Daniels also questioned who monitored the project for maintenance issues and was it possible the lease would be renewed after the 35 years. Mr. Chahbazi responded the fence would again help with the visual effects of the project and reported Cenergy's design included the placement of pollinators around the rows and near the modules. He added as far as weed management this would be managed as needed. Mr. Chahbazi explained how technicians would be continually monitoring the project and its modules for other issues.

Minutes Town Hall/Board of Trustees Special Meeting July 17, 2023 Page 5 of 5

Trustee Groezinger questioned how many residents could subscribe to the program and get the 30% discount. Mr. Chahbazi estimated approximately 600 subscribers. He added it would be a ComEd program. He was not able to confirm if roof top solar systems were removed those residents could get the discount.

Village Clerk, Caryn Minor read an emailed statement from Dorothy Rzepka, that email is attached.

Emily Eichholzer stood, stated her name and reported she lived on Elizabeth Street. She questioned if the modules could crack, break or leak and what is their lifetime workability? Mr. Chahbazi noted no usual issues with the modules, adding if they had any damage, they would be repaired or replaced. He added the modules had no effects to the environment. Mr. Chahbazi noted power lines next to your home have more voltage than these low voltage safe modules.

Trustee Ward suggested the review of the Public Act 102-1123.

6. ADJOURNMENT

Motion by Trustee Peloso with a 2nd by Trustee Groezinger to adjourn. Motion carried by a voice vote.

5. PROJECTS / BUDGET REVIEW

Current Projects / Budget / Status / Costs / Fiscal Year 2024

President Fahnestock advised the Board that during tonight's budget discussion the Board would be reviewing and discussing the budget, the audit, and the village's current and projected projects. She reported the Trustees had the documents before them to review. The discussion began with the televised report.

Village Engineer Lin reported the latest televising done had been similar to other areas televised in the older part of town. The recent area ranged from Main to Kenebec Avenue and showed the pipes were old and cracked. He advised the Board he is reviewing the televising report and would design a working storm sewer system to correct and handle the system. Lin noted Main Street is on the top of the list needing repairs.

President Fahnestock requested an estimated cost to fix Main Street. Lin estimated \$75,000 - \$100,000 for tonight's planning purposes but would have to review with a contractor for firmer numbers. He reported Maple Avenue is further along and almost ready to be submitted to IDOT. President Fahnestock advised the Board Maple Avenue would be completely redone similar to Pearl Street.

MINUTES Committee of the Whole Meeting 7-18-23 Page 2 of 3

President Fahnestock requested Village Engineer Lin discuss the proposed parking study for the business district. Lin reported the parking study would help traffic flow surrounding weekends and festivals. He acknowledged that Kenig, Lindgren, Ohara, Oboona, Inc (KLOO) was a reputable traffic consultant he had used in the past. KLOO would come out during prime times and then provide a recommendation.

President Fahnestock reviewed other expenses and needs including maintaining the Town Home's area, pond maintenance, unfunded mandates and newly passed bills. President Fahnestock noted these items may be minor but do need to be considered when budgeting.

Administrator Aldridge acknowledged the paperwork distributed to the trustees for review was from FY23 because the auditors were here and the audit was not finalized. She noted the Village had done well ending the last fiscal year. She reviewed what projects had continued into this fiscal year. Aldridge acknowledged the May and June reports were included for review and reported moving forward similar reports would be included in each month's Board packets. She reported the HVAC System had already been approved and the new water tower bid had come in significantly higher than budgeted. She discussed how the water tower project would affect the Village's TIF revenue and for how long.

President Fahnestock reminded the Board that the generator project would be completed this year without the fencing portion. The fencing portion would be added to the future project list. Additional questions and discussion occurred and were answered by Administrator Aldridge.

The Board inquired on the status of the Village's dump truck and if it would be sold. Discussion ensued.

Main Street Stormwater

Discussed earlier in agenda.

Projects Needed Projects / Costs / Fiscal Year 2025

President Fahnestock discussed the Village's needs and intention to continue completing needed projects.

• <u>Stormwater</u>

President Fahnestock advised the Board of streets that flood and need stormwater repairs especially on Ashton, Elm and others. She proposed the Village begin with 1 or 2 next year.

• Water Mains / Valves

Public Works Director Lou Larson discussed water mains and valves that need repair. He noted some unexpected and immediate repairs.

Parking business district

President Fahnestock reported after the parking study was done hopefully the Village could plan to improve parking in the Village's business district.

President Fahnestock noted needed paving repairs on the Village's streets.

Playground

President Fahnestock reminded the Board of the Village's previous discussions to put in a playground at Memorial Park and she reported the \$40,000 in Grant funds received for the playground equipment would help.

Water Treatment Plant Fencing

President Fahnestock reminded the Board this was a carryover portion from the generator project that would hopefully be completed next year.

Sidewalk Repair possible grant

President Fahnestock noted she will look into possible grant opportunities for sidewalk repairs or replacement. However, the Village should continue to plan for sidewalk repairs and replacement.

The Village Clerk will read such comments during the Public Comment portion of the meeting.

Roger Kahl a resident that resides on Green Street stood and stated the taxes received from the solar farm would be a way to get some of our tax dollars back. He added the 30 % discount off his electric bill would be helpful in his retirement.

Angelika Necka a resident that resides on Inverness Street took and stated the concerns pertaining to the solar petition were legit and requested time to research more on the health effects it may cause.

Re: Parking Study Proposal Maple Park, Illinois

Dear Ms. Aldridge:

Kenig, Lindgren, O'Hara, Aboona, Inc. (KLOA, Inc.) is pleased to submit this proposal for our professional parking planning services in connection with the parking operations within the commercial district in Maple Park, Illinois. Currently, the area is experiencing shortages in parking supply, especially on weekday and Saturday evenings, caused by the restaurants and bars in the area. The purpose of the study is to assist the Village of Maple Park in the evaluation of the existing and future parking operations and develop recommendations on how to best mitigate the parking shortages.

We have developed the following scope of services and fee proposal based on our experience with similar studies and my discussion with you. This work program will thoroughly examine the existing parking demand, estimate the future parking needs, and working with Village staff, develop recommendations and strategies that the Village can implement to mitigate any existing and future parking issues.

Scope of Services

- 1. Data Collection. A field reconnaissance of the study area will be conducted and will include an area generally bounded by County Line Road on the west, Center Street on the north, Liberty Street on the east, and Elm Street on the south. Field observations will be performed to ascertain the existing operating conditions of the parking facilities. All relevant data and information will be collected and reviewed. In addition, the following data collection and surveys will be performed:
 - An inventory of the existing on-street parking and the public parking facilities will be conducted to determine the physical and operating characteristics, including the number of parking spaces, type of parking spaces, and time restrictions.
 - Occupancy surveys of the existing on-street parking and the public parking facilities will be performed every one hour from 11:00 A.M. to 10:00 P.M. The occupancy surveys will be conducted on a typical/normal Friday and Saturday.
- 2. *Turnover Study*. A turnover study of the on-street parking spaces along Main Street within the study area will be conducted between 5:00 P.M. and 10:00 P.M.
- 3. Analysis of Existing Operations. All of the data, information, and surveys collected/performed by KLOA, Inc. will be reviewed, tabulated, and analyzed to provide a thorough understanding of the existing study area parking operations. The results of the data collection efforts will be summarized in tables and figures and will include the following information/data:

- The parking characteristics of the commercial district area by street and subarea, including the total number of parking spaces, type of parking, and time restrictions.
- The parking demand of the commercial district by street and subarea, including the peak parking demand broken out by type/use, the distribution per location, and the accumulation of parking per time of day and day of the week.

Any parking issues/concerns and/or deficiencies will be identified and documented.

- 4. *Future Parking Supply*. The future parking supply in the study area will be estimated based on occupancy of vacant buildings or stores and/or any potential redevelopment opportunities.
- 5. Evaluation of Parking Conditions. The parking demand will be compared to the parking supply to determine if sufficient parking is provided in the study area. Parking surpluses and deficiencies will be identified by location, type/use, and time restrictions.
- 6. Parking Recommendations. Based on the results of the study and working with the Village, parking recommendations, policies, and/or strategies will be developed to mitigate existing and future parking deficiencies and issues. Recommendations will be made that can be implemented to address parking distribution, usage, designation, and restrictions. This will include the recommendations to create additional parking via a municipal lot either within the existing commercial uses and/or north of the railroad tracks.
- 7. Study Reports and/or Documents. A memorandum report summarizing our findings and recommendations will be submitted upon completion of our work.
- 8. *Meetings and Hearings*. A Principal of KLOA, Inc. who is familiar with the analyses, findings, and recommendations of the parking evaluation will be available to attend meetings and/or hearings, as necessary, to discuss or present the results of the study. Attendance at two meetings is assumed in the budget estimate, including a kick-off meeting and a second meeting to discuss the findings of the study.

Time of Performance

We estimate that the parking study will be complete within seven to eight weeks of receipt of a signed copy of this letter of agreement.

Meetings and hearings will be attended as arranged during advance requests by you. For formal meetings and for hearings at which presentations may be required, it is desired that 7 to 10 days' advance notice be given to KLOA, Inc.

Cost of Services

The cost of services rendered by KLOA, Inc. on this project will be based on our hourly rates currently in effect, plus reimbursement at cost for direct expenses such as parking counts, travel, reproduction, etc. Based on our experience in similar studies, we estimate the costs to complete Items 1 through 8 to be in the range of \$14,500 to \$15,500.

Ms. Cheryl Aldridge June 1, 2023 Page 3

All costs for professional staff time and direct expenses in connection with attendance at meetings and/or hearings beyond the two budgeted for in Item 8 of the scope of services will be itemized separately on our invoices and are in addition to the costs estimate above. Hourly rates for a Principal of KLOA, Inc. to attend daytime meetings is \$245 and to attend evening hearings is \$340.

Method of Payment

Sincerely,

Invoices will be submitted every two weeks and will reflect the charges incurred on the project during the previous period. Invoices will show staff time and expenses separately. Invoices are due and payable within 30 days of the invoice date. Payments due KLOA, Inc. are not contingent on project financing or project approval and are the responsibility of the Village of Maple Park. To the maximum extent permitted by law, the Village of Maple Park agrees to limit Kenig, Lindgren, O'Hara, Aboona, Inc.'s liability for the Village of Maple Park's damages up to the sum of the total fee on this project. This limitation should apply regardless of the cause of action or legal theory pled or asserted.

We are pleased to have this opportunity to offer our professional services to the Village of Maple Park. We look forward to initiating our services on the project upon receipt of a signed copy of this letter of agreement.

KENIG, LINDGREN, O'HARA, ABOONA, INC.

VILLAGE OF MAPLE PARK

ORDINANCE NO. 2023-09

AN ORDINANCE AMENDING TITLE 6, "POLICE REGULATIONS," CHAPTER 2, "ANIMAL CONTROL," SECTION 9, "LIVESTOCK AND POULTRY," OF THE MAPLE PARK VILLAGE CODE

ADOPTED BY
THE BOARD OF TRUSTEES
OF THE
VILLAGE OF MAPLE PARK

Published in pamphlet form by authority of the Board of Trustees of the Village of Maple Park, Kane and DeKalb Counties, Illinois, this 1st day of August, 2023.

ORDINANCE NO. 2023- 09

AN ORDINANCE AMENDING TITLE 6, "POLICE REGULATIONS," CHAPTER 2, "ANIMAL CONTROL," SECTION 9, "LIVESTOCK AND POULTRY," OF THE MAPLE PARK VILLAGE CODE

WHEREAS, the Village of Maple Park, DeKalb and Kane Counties, Illinois is a duly organized and existing municipality created under the provisions of the laws of the State of Illinois; and,

WHEREAS, the President and Board of Trustees of the Village of Maple Park believe it is in the best interest of the health, safety, and welfare of its citizenry to amend the text of the Municipal Code of the Village regarding poultry within the Village of Maple Park.

NOW, THEREFORE, BE IT ORDAINED by the Board of Trustees of the Village of Maple Park as follows:

SECTION 1. That Section 6-2-9: Livestock and Poultry of the Maple Park Village Code shall be deleted in its entirety and replaced with the following:

6-2-9: LIVESTOCK AND RESIDENTIAL CHICKENS:

- A. Livestock. It shall be unlawful to harbor or keep any live horse, cattle, swine, sheep, goat, rabbits, or other livestock anywhere in the village unless otherwise permitted in the village zoning regulations.
- B. Residential Chickens.
 - 1. Up to six (6) domestic chickens may be kept on properties zoned and occupied for single-family residential use or agricultural use only.
 - 2. Roosters are prohibited within the corporate boundaries of the village.
 - 3. Chickens kept in accordance with this section shall be in an enclosure and/or fenced area at all times.
 - 4. Any such chickens and enclosures shall be kept in the rear yard of the premises.
 - 5. All areas where chickens are kept shall be maintained in a neat and clean manner, free of undue accumulation of waste, such as to cause odors that are detectable on adjacent properties.
 - 6. All provisions of Chapter 1 of Title 5 "Nuisances" of the Maple Park Village Code shall remain in effect notwithstanding the permissions granted by this Section.
 - 7. Any enclosure and adjacent fenced area shall be set back:
 - i. No closer than five (5) feet to any property line; and
 - ii. Shall be screened with year-round landscaping, walls and/or fencing so as not to be visible from any public street or adjoining lot when viewed from an observation height of five (5) feet above grade.

SECTION 2. Severability. If any provision of this Ordinance, or the application of any provision of this Ordinance, is held unconstitutional or otherwise invalid, such occurrence shall not affect other provisions of this Ordinance, or their application, that can be given effect without the unconstitutional or invalid provision or its application. Each unconstitutional or invalid provision, or application of such provision, is severable, unless otherwise provided by this Ordinance.

SECTION 3. Effective Date. This Ordinance shall be in full force and effect from and after its passage and approval and publication as required by law.
